SCMS GROUP

SCMS Group of Educational Institutions, established in 1976, is a premier academic group in Kerala, India providing quality education in engineering, technology, management, mass communication, and biotechnology. The Group has six campuses in India and has a faculty strength of 468 specialists in different disciplines and an annual enrolment of 3500 students.

SCMS prepares future leaders through an innovative education system that bridges communication and management, science and technology, enterprise and society. The various programs offered by the Group have a high reputation and acceptance among the corporates. SCMS today is synonymous with high quality education in India, and the group has achieved phenomenal success in the last four decades of its existence.

SSTM

SCMS School of Technology and Management (SSTM), an institution of excellence in management and technology education, established in 2003, offers 2 year MBA program, 5 year Integrated MCA program, 2year M.Sc. in Bio Sciences and Biotechnology and Bachelors programs in Commerce ,Economics and biotechnology. All these programs are approved by All India Council for Technical Education and affiliated to Mahatma Gandhi University. It has also received A grade accreditation from NAAC and ISO 9001:2008 certified.

BACKGROUND AND SCOPE OF THE CONFERENCE

Financial inclusion or inclusive financing is the delivery of financial services at affordable costs to sections of disadvantaged and low-income segments of society. Global trends have shown that in order to achieve inclusive development and growth, the expansion of financial services to all sections of society is of utmost importance. As a whole, financial inclusion in the rural as well as financially backward pockets of cities is a win-win opportunity for everybody involved – the banks/NBFC's intermediaries, and the left-out urban population.
