## About the workshop

NBA ( National Board of Accreditation) provides the commitment of quality and professional education and meets the assumptions of the Educational institutions, Government, Industry, students and their parents. NBA accreditation serves to notify

- Parents and prospective students that a program has met minimum standards,
- Faculty, Deans and Administrators of a program's strength and weaknesses
- Employers that the graduates are prepared to begin professional practice.
- the public that graduates are aware of societal consideration.

In order to successfully prepare an institution for NBA accreditation, a thorough understanding of the accreditation/ evaluation criteria and processes, concepts of outcome based education, Developing Program outcomes (PO), Program specific outcomes

(PSO), Course Outcome (CO) CO-PO mapping is essential. This workshop equips the participants to prepare their institutions to align their activities to the quality requirement of NBA and be successfully achieve full accreditation in a very short time.

## Outcomes

- Understand the relevance of Outcome based education, role of NBA, importance of NBA certification and the processes associated with accreditation.
- Understand the methods and processes available for attainment PO and PSO in a Tier II institution.
- Plan processes including setting targets, measurement of attainment, Close the attainment gap for continuous improvement.

## Methodology

The workshop will be conducted in an interactive environment with scope for discussions.

Emphasis will be on participative learning through Lecture sessions, Group discussion and knowledge sharing. The objective of the workshop would be to empower the participants to confidently guide the institutions they represent towards achieving full accreditation. The workshop is designed for Directors, Principals and senior faculty members of Engineering colleges, MBA institutions who are the key personnel to understand and implement the quality initiatives in their institutions. Members of the faculty who are directly involved in the institutional initiatives for NBA Accreditation would be greatly benefitted by this workshop.
