Scope of the conference

SCMS is proudly hosting the ICWA (2020), 4th series of its kind in partnership with IMA & Help Age India. ICWA is an ongoing initiative to enhance the Quality of Life of the aged. There are innumerable challenges that the elders have to suffer. To name a few are Mobility disability, Cognitive impairment, Alzheimer's, Depression and Cardio vascular diseases. This platform provides an opportunity to drive ideas & solutions addressing both these biological & psychological issues associated with longevity. With this motto, we embrace professionals from both Geriatrics and Gerontology who can collaborate to alleviate the problems accompanying senescence.

SCMS

SCMS Group of Educational Institutions is a national leader in higher education especially in the fields of Management, Engineering and Technology.
