

Program : <b>Diploma in Engineering and Technology / Commercial Practice / Management</b>	
Course Code : <b>2008</b>	Course Title: <b>Communication Skills in English Lab</b>
Semester : <b>2</b>	Credits: <b>1.5</b>
Course Category: <b>Humanities and Social Science</b>	
Periods per week: <b>3 (L:0, T:0, P:3)</b>	Periods per semester: <b>45</b>

### Course Objectives:

This is an English language development course which aims at developing the language skills needed for the learners both at the workplace and in daily life. The course has a wide range of learning material to familiarize with, internalize and use at the workplace. The objectives of the course are:

1. To apply the elements of grammar and vocabulary to use English with ease in both formal and informal situations.
2. To listen, identify and comprehend the main idea and supporting details of a conversation
3. To use language functions needed for technical and casual discourses.
4. To develop fluent and accurate oral communication with correct pronunciation needed for a diploma engineer at the workplace with the help of multimedia tools.
