## ACTION PLAN (AY 2023-24)

The **Women's forum, Anti-sexual harassment committee, Internal complaints committee** had been formed and work to promote women's empowerment and gender equality. Each department is instructed to adopt a suitable perspective for the theme and some of their academic day activities should be based on it. Considering the student's indulgence in social media and challenges they face; the committee organizes informative sessions to create awareness about dangers associated with use of social media and awareness about increasing cyber-crimes. Through the **NSS units**, we organize public awareness campaigns about anti-discrimination and mechanisms of protection against gender-based discrimination with our students, thereby connecting the neighbourhood as well.
