CURRICULAR ASPECTS

1.4: Feedback System
ALUMNI FEEDBACK ON CURRICULUM

Feedback form for Alumni

SCMS School of Engineering and Technology is affiliated to A.P.J K.T.U University and follows the syllabus prescribed by the University. The questionnaire is intended to collect your feedback on the curriculum of different programs/courses attended by our graduates. Your feedback will be very much useful to improve the quality of education in our institution

Alumni Survey

SCMS School of Engineering & Technology, Karukutty

Department of Mechanical Engineering

The purpose of this survey is to obtain alumni input on the quality of education they received and the level of preparation they had at institution. We seek your co-operation in completing this survey, thereby helping us to improve our standards of quality education.

Vision of the Department

To be a centre of excellence in Mechanical Engineering recognized for its quality education, innovative research and social outreach programs

Mission of the Department

Provide excellent student-centric education generating high calibre graduates to face global challenges
Maintain state-of-art facilities for faculty and students to learn, research and disseminate knowledge
Emphasize on collaborative technology-transfer encouraging innovations for the benefit of society

Part B

Evaluation of Programme Educational Objectives (PEO)
PEOs are the targets for the graduates to attain within a period of five years after graduation.

The department of Mechanical Engineering of SSET has outlined five main Program Educational Objectives as mentioned in the table below. Please rate each of the following in terms of their importance and use in your job, and how well your education at SSET prepared you for these.

The following scale may be used for your assessment.
5.Strongly Agree
4.Agree
3.Neutral
2.Disagree
1.Strongly Disagree

I am able to apply engineering knowledge and skills in professional engineering practice and also in non-engineering fields to identify and address technical and societal problems.

	1	2	3	4	5	
Strongly Disagree	○	○	●	○	○	Strongly Agree

The Program was competent enough to compliment my intellectual development by pursuing graduate education or other professional development programs.

	1	2	3	4	5	
Strongly Disagree	○	○	○	●	○	Strongly Agree

I see myself evolved as responsible engineers capable of conducting sustainable innovative research and development in diversified domains.

	1	2	3	4	5	
Strongly Disagree	○	○	○	●	○	Strongly Agree

I have been able to position myself as a team player or a team builder, working professionally and ethically to accomplish organizational goals.

	1	2	3	4	5	
Strongly Disagree	○	○	●	○	○	Strongly Agree

Part C

Evaluation of Programme Objectives (PO)
POs are statements about the knowledge, skills and attitude (attributes) the graduate of a formal engineering program should have. The POs are defined by Accreditation Agencies of the country (NBA in India).

Rate yourself as SSET-B-Tech, Mechanical Engineering alumni on the following criteria.

The following scale may be used for your assessment.
1- Poor 2 – Fair 3 – Average 4 – Good 5 – Excellent

The Depth of Engineering knowledge possessed

	1	2	3	4	5	
Poor	○	○	◉	○	○	Excellent

The Capacity to formulate and analyze Problems

	1	2	3	4	5	
Poor	○	○	◉	○	○	Excellent

The Ability to arrive at Design/development of solutions.

	1	2	3	4	5	
Poor	○	○	◉	○	○	Excellent

The confidence to conduct investigations of complex problems.

	1	2	3	4	5	
Poor	○	○	◉	○	○	Excellent

The caliber to use Modern tools pertaining to the field of Engineering

	1	2	3	4	5	
Poor	○	○	●	○	○	Excellent

The expertise and willingness to apply the knowledge in engineering for the betterment of society.

	1	2	3	4	5	
Poor	○	○	○	●	○	Excellent

The preparedness to protect the environment and follow the concept of sustainability.

	1	2	3	4	5	
Poor	○	○	○	●	○	Excellent

Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

	1	2	3	4	5	
Poor	○	○	○	●	○	Excellent

Deliver the best results in both Individual as well as team work.

	1	2	3	4	5	
Poor	○	○	●	○	○	Excellent

Proficiency in both verbal and written Communication.

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

Flair to handle projects and task with know-how of Project management and finance.

	1	2	3	4	5	
Poor	○	○	◉	○	○	Excellent

Awareness of the importance of Life-long learning.

	1	2	3	4	5	
Poor	○	○	◉	○	○	Excellent

Any Suggestion/s for improvement based on your professional and personal experiences

Alumni Survey

SCMS School of Engineering & Technology, Karukutty

Department of Mechanical Engineering

The purpose of this survey is to obtain alumni input on the quality of education they received and the level of preparation they had at institution. We seek your co-operation in completing this survey, thereby helping us to improve our standards of quality education.

Vision of the Department

To be a centre of excellence in Mechanical Engineering recognized for its quality education, innovative research and social outreach programs

Mission of the Department

Provide excellent student-centric education generating high calibre graduates to face global challenges
Maintain state-of-art facilities for faculty and students to learn, research and disseminate knowledge
Emphasize on collaborative technology-transfer encouraging innovations for the benefit of society

Part B

Evaluation of Programme Educational Objectives (PEO)
PEOs are the targets for the graduates to attain within a period of five years after graduation.

The department of Mechanical Engineering of SSET has outlined five main Program Educational Objectives as mentioned in the table below. Please rate each of the following in terms of their importance and use in your job, and how well your education at SSET prepared you for these.

The following scale may be used for your assessment.
5.Strongly Agree
4.Agree
3.Neutral
2.Disagree
1.Strongly Disagree

I am able to apply engineering knowledge and skills in professional engineering practice and also in non-engineering fields to identify and address technical and societal problems.

	1	2	3	4	5	
Strongly Disagree	○	○	○	◉	○	Strongly Agree

The Program was competent enough to compliment my intellectual development by pursuing graduate education or other professional development programs.

	1	2	3	4	5	
Strongly Disagree	○	○	○	◉	○	Strongly Agree

I see myself evolved as responsible engineers capable of conducting sustainable innovative research and development in diversified domains.

	1	2	3	4	5	
Strongly Disagree	○	○	○	◉	○	Strongly Agree

I have been able to position myself as a team player or a team builder, working professionally and ethically to accomplish organizational goals.

	1	2	3	4	5	
Strongly Disagree	○	○	○	◉	○	Strongly Agree

Part C

Evaluation of Programme Objectives (PO)

POs are statements about the knowledge, skills and attitude (attributes) the graduate of a formal engineering program should have. The POs are defined by Accreditation Agencies of the country (NBA in India).

Rate yourself as SSET-B-Tech, Mechanical Engineering alumni on the following criteria.

The following scale may be used for your assessment.
1- Poor 2 – Fair 3 – Average 4 – Good 5 – Excellent

The Depth of Engineering knowledge possessed

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

The Capacity to formulate and analyze Problems

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

The Ability to arrive at Design/development of solutions.

	1	2	3	4	5	
Poor	○	○	○	○	◉	Excellent

The confidence to conduct investigations of complex problems.

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

The caliber to use Modern tools pertaining to the field of Engineering

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

The expertise and willingness to apply the knowledge in engineering for the betterment of society.

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

The preparedness to protect the environment and follow the concept of sustainability.

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

Deliver the best results in both Individual as well as team work.

	1	2	3	4	5	
Poor	○	○	○	○	◉	Excellent

Proficiency in both verbal and written Communication.

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

Flair to handle projects and task with know-how of Project management and finance.

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

Awareness of the importance of Life-long learning.

	1	2	3	4	5	
Poor	○	○	○	◉	○	Excellent

The faculty were highly knowledgeable and approachable, which fostered a great learning environment. The guidance I received during my final-year project on graphene battery technology was pivotal, as it helped me publish my work in an international journal and paved the way for my professional journey in quality assurance and manufacturing.

It would be better if more practical sessions are given. Especially for automobile students, how to repair the vehicles, how to identify the issues, etc.
