Dear Professor,

Hope you and your loved ones are doing well.

We are happy to share the list of students from your institute who have cleared the pre-placement interviews that were conducted based on a student's performance. Please refer to the attached excel sheet for the list.

These students have been offered one of the three entry-level roles at Infosys: Systems Engineer (SE)/ Digital Specialist Engineer (DSE)/ Specialist Programmer (SP).

Students who have been offered Specialist Programmer role will not be considered for Power Programmer/Digital Specialist Engineer Campus event which is going to be held on 8th & 9th August as they have already received the top role on offer.

We will share the results for the Digital Specialist Engineer (DSE) and Specialist Programmer (SP) roles with the students on 5th August. Kindly let us know by end of day, in case there are any reservations with the release of offer communication.

This list is inclusive of students who might have appeared in the PPI for a higher role (SP/DSE) but were offered a role that is at par with the assessment of their skills during the interview.

The results of HackWithInfy 2021 – Finalists, will be declared on the Grand Finale scheduled on 23rd August, 2021

Please note, this is a conditional job offer subject to background verification of the candidate.

For any queries, please reach out to me.

We look forward to your continued support.
