Cc: Aniruddh Arora <aniruddh@elitetechnogroups.com>

Dear sir,
Greetings from Capabl!

We are delighted to inform you that we have received your acknowledgement on behalf of the college regarding the upcoming seminar. It is our pleasure to confirm that the Day Itinerary has been finalized, and we are pleased to announce the availability of **Mr. Mayank Arora, Founder and CEO at Capabl by Elite Techno Groups.**

Thank you for your cooperation in organizing this seminar! We look forward to a fruitful and engaging event that will benefit all participants and contribute to their professional growth. *Please find the Profile of our speaker attached in this mail.*

Planning the Implementation of NaukriSaksham Initiative at your campus:

1. Mr. Mayank Arora will be visiting the campus to address students on the topic "**Getting Ready for Post-Pandemic Industrial Disruptions by Specializing in Industry 4.0 Specific Domains.**"
2. During the session, the speaker will discuss relevant skills for the next five years and share his personal experience of successfully training over 1 lakh engineers since 2012.
3. The audience expected for this session will include **students from the Placement cohort of January to April 2024 and 2025**, as well as **faculties.**
4. Interested and eligible students will submit an admission form, provided to them, along with INR 500 as a booking fee to secure their seat for one of the programs mentioned below.
5. Once booked, all students will undergo one-on-one online counseling sessions, where parents are also welcome to participate. They will have two days to complete the remaining enrollment process by submitting the remaining fees of INR 5,000.
6. Within five days of completing the enrollment process, the batch will commence. Live Classes will be scheduled inline with the academics so that students can concentrate on their regular academics as well.

For any further communication on the same please feel free to reach out to me. Looking forward to hearing from you. Please confirm the dates.

Warm regards,
SORNA RAJ S,
Assistant Regional Manager (South Zone),
Industry-Academic Counselor at "ACADEMIA-INDUSTRIA COLLABORATION",
Elite Techno Groups @ Capabl (www.elitetechnogroups.com)

Dear sir,
Greetings from Capabl!

I sincerely appreciate your efforts in initiating the implementation of a Pan India programme called "**Naukri Saksham**" by SAE India & ETG at your college. As per the telephonic conversations we had today, I hereby attach the details of the **process ahead**. As given below, we can schedule "**seminar**" at your campus in the **Month of June**. Depending on the Student's population and the auditorium seating capacity we can split in batches for the seminar conduction.

Kindly finalize a date for Seminar Conduction to prevent last-minute hassles in order to freeze the DAY ITINERARY and acknowledge the same by signing the interest form and attaching over the mail as soon as possible

DAY 1 (Forenoon session)

Date	Tentatively (16/6/23 or 17/6/23)
------	----------------------------------

Department	CSE/ECE/EEE/AU/ME/CE
Target Students	Upcoming 4th year students
Total Students Strength (Intake)	350 Nos
Seminar Starts at	10:10 AM
Our speaker & Company Introduction (By College Faculty)	10:10 - 10:25 AM
Seminar - "Getting ready for Post Pandemic Industrial Disruptions by specializing in Industry Specific Domains"	10:25- 11:15 AM
Q & A Session	11:15 - 11:30 AM
Seminar Ends at	11:30 AM
Interested Students & selected candidates list announcements	11:30AM - 12:15 PM

Dear Sir,

Greetings from Capabl!

We are delighted to be connected with you and also we are excited to introduce you to **NaukriSaksham, a Tech Job Role Training initiative with Pre-Placement Opportunities for the upcoming 3rd and 4th year undergraduates**. Our aim is to upskill students in core industry and product-based domains mentioned below and place them in Top Companies.

- **Electric Vehicle Engineering and Design,**
- **Advanced CAE Design,**
- **Data Science with AI, ML & NLP**
- **Full Stack Development**

Capabl at Glance

Capabl is an Industry consultant & the only Ed-Tech backed by & working with leading companies like **Yulu, Amazon, Ola, Ather, IBM, Sastra Robotics**, and 200+others which is now on a mission to create a world-class engineering learning ecosystem with students, industry, and colleges, to reduce the industry-academia gap while considering the complex Indian engineering ecosystem's limitations. And also we are **preventing the engineering students from being exploited by commercial Edtech companies** that charge them lakhs of rupees in the name of placement and training.

"Academia Industry Collaboration" (AIC)

We are looking for relevant colleges to associate with us in this **Academia-Industry CSR Initiative**, which has received support and appreciation from **SAEINDIA, Ansys, Altair, Siemens and IBM**. We are glad to inform you that **SAE India** along with our **Placement Head Dr. K Srinivas, 20+ years of Experience with Training and Placement** suggested your college as a potential partner for this program & we are delighted to propose the implementation of the initiative at your campus on a date convenient to both college and Capabl tentatively in the **Month of June**.

The Naukri Saksham Recruitment Drive

Capabl conducts Recruitment Drive for 200+ companies (*ref. attachment No.4*) working in the above mentioned domains twice every year in the Placement Cohorts of Phase 1: Jan to Apr & Phase 2 : Jul to Sep. This Proposal is for the **Placement cohort Jan to Apr 24' & 25'**

Naukri Saksham:

1. 240+ hours of Technical Training (Online Classroom sessions, Hands on Projects, Internships)
2. 20+ Industry Projects and 12+ Live Case Studies with one on one dedicated Mentorship with Industry Expert
3. Five Certifications from SAEINDIA, Altair, ARK-Ansys, Siemens & IBM (Recognized by ISO UK & TNV)
4. Campus Recruitment Training with Industrial Internships
5. 100% Guaranteed Placements (Minimum 4 LPA to Maximum 30 LPA)

Planning the Implementation of NaukriSaksham Initiative at your campus:

1. On the decided date, our CEO Mr. Mayank Arora will visit the campus to address students on "Current Job Market with Industrial 4.0 Skills".
2. Eligible and Interested students will Submit an Admission form given to them with INR 500 on the spot for booking their seat for the program and also the other students who require a day time to decide can book the next day.
3. All students booked will undergo 1 to 1 counseling where parents can also be a part of it and will have 2 days to complete the leftover fees of INR 5000 to complete the process of enrollment.
4. Within 5 days of Completing the enrollment the Batch will get started.

Fees Structure for the students:

The total fees to be paid by students interested for the program will be **INR 5,500** under the following schedule

Admission Fees		
On Spot	Step 1 : Pay Booking Amount INR 500	
Within 2 days of Seminar	Step 2: Complete Admission by Paying INR 5000	
Pay After Placement *		
(From the 3rd month salary)		
Below Rs. 4LPA	Between Rs. 4 - 8LPA	Above Rs. 8LPA
INR 0/-	INR 22,000/-	INR 30,000/-

*100% refundable if the students are not placed. (*ref. attachment No.2*)

For your further References I am attaching the files below:

- **NakriSaksham Program Brochure with Detailed Content**
- **Letter of Interest to join the NaukriSaksham**
- **List of Companies associated**
- **Detailed Program Curriculum**

We are confident that this association will benefit your students and contribute to the growth of the engineering ecosystem in India.

 **Mr. Mayank Arora, CEO Capabl Profile.pdf**
87K

Name: Mayank Arora

Designation: Founder & CEO, Capabl from Elite Techno Groups

- Mayank Arora is a seasoned professional with over 12 years of experience in the field of engineering education. He co-founded AMK Industries and Elite Racing after leaving Nirma Law University. In AMK Industries, Mayank served as a Strategist mentor, while also taking on the role of Race Director at Elite Karting.
- As a TEDx speaker, Mayank has shared his insights on the "Education ecosystem of India," highlighting the industry-academia scenario and opportunities available for future graduates.
- Mayank had the honor of representing India at the Dubai Expo 2020, where he presented the ecosystem model being developed by his team for Indian undergraduates. He showcased this model to education ministers and key stakeholders from over 70 countries.
- Recognized by the Ministry of Education, Government of India, and the Indian Innovation Hub, Mayank has made significant contributions to engineering education and employability in India.
- His venture, Capabl, has been acknowledged as a game-changer startup by AWS, Niti Aayog, and the Atal Innovation Mission in 2022.
- Mayank actively consults as a Placement Mentor, providing guidance and support to over 90 engineering colleges in India. He plays a crucial role in creating job opportunities for their students.
- He serves as a board member for Placement & Academia-Industry relations at 5 engineering colleges in India and 3 top management colleges in India and UAE, fostering strong connections between academia and industry.
- With his expertise, Mayank served as a Senior Consultant in the fabrication of a new design for YULU electric bikes, India's largest ride-sharing company with 18,000 vehicles used by 2.5 million users.
- Contributing to the development of more than 30 race vehicles, Mayank has delivered them to the Indian Army, Kari Motorsports, and various racetracks and rally drivers across India.
- Having delivered sessions in over 800 engineering colleges to 10 lakh students across India and three other countries, Mayank aims to raise awareness about industrial trends, opportunities, and how to become industry-favored engineers.
- At Capabl from Elite Techno Groups, Mayank and his team are dedicated to revolutionizing engineering education in India. They aim to build an engineering ecosystem similar to IITs, providing students with exposure, projects, networking, and industrial opportunities to make them industry-ready and employable.

WOMEN'S FORUM OF SSET

REPORT ON TALK ON "CANCER AWARENESS AMONG YOUTH-DETAILS, REMEDIES AND PRECAUTIONS"

Date: 17.09.2023

The women's forum of SSET conducted a talk on the topic "Cancer Awareness among Youth-Details, Remedies and Precautions". This session was conducted on September 17th, 2023 from 2.00 pm to 3.00 pm at Seminar hall, SSET. Around 95 attendees, including students and faculties of the college. The programme was blessed with the presence of Dr.Philip George Kuttikat, Consultant Medical Oncologist, Apollo Adlux Hospital, the resource person for the event. Ms. Aksa Agi, S5CS1, delivered the welcome speech

Dr.Kuttikat explained the basics of cancer, including its types, and the mechanism of how cancer develops within the body. He used simple language and visuals to make the information accessible to all attendees. He discussed various factors that contribute to the development of cancer, such as genetic predisposition, lifestyle choices (e.g., smoking, diet), and environmental factors (e.g., exposure to carcinogens). Dr. Kuttikat emphasized the importance of preventive measures, including adopting a healthy lifestyle, undergoing regular screenings, and recognizing early warning signs. He also explained the significance of vaccination for certain types of cancer, such as HPV. The speaker provided an overview of cancer treatment modalities, including surgery, chemotherapy, radiation therapy, and immunotherapy. He stressed the importance of early diagnosis in improving the chances of successful treatment.

Dr.Kuttikat highlighted the importance of a support system for cancer patients and their families. He discussed the availability of support groups, counseling services, and informational resources.

The program concluded at 3.00 pm with a vote of thanks delivered by Ms. Ms Jesniya Jose, S5CO. The talk on "Cancer Awareness among Youth" by Dr. Philip George Kuttikat was a resounding success, providing valuable insights into cancer-related issues for the attendees. Dr.Kuttikat's expertise and ability to communicate complex medical information in an understandable manner greatly benefited the audience, particularly the youth.

Yoga for Humanity

In association with NDLI CLUB of SSET

21.06.2023

10:00am 11:00am

Fr. BAIJU VARGHESE

DIRECTOR
Athmayoga Academy, Vyttila

Conference Hall
Admin Block 1st Floor

ATELIER-The Department Association of Basic Science and Humanities

REPORT

YOGA Day - 21st June 2023

“Yoga is not a work-out it is a work-in, and this is the point of spiritual practice to make us teachable to open up our hearts and focus our awareness so that we can know what we already know and be who we already are.”

The Department of Basic Science and Humanities association club Atelier had organized a session for us students of all semesters and branch on 21st June 2023 at the Seminar Hall, Academic block from 10.00 am to 11.00 am. There were a total of Seventy-five students and more than ten faculty who attended the session. Fr. Baiju Varghese, Director of Athmayoga Academy, Vyttila chaired the session. One hour talk on the importance of Yoga and with practical sessions were the highlights of the event.

The poster features logos for ATELIER, National Digital Library of India, Ministry of Education, and SCMS. The main title is "Yoga for Humanity" in a large, bold font. Below the title, it says "In association with NDLI CLUB of SSET" and "21.06.2023" in red. The time "10:00am - 11:00am" is also displayed. There are illustrations of two people in yoga poses. A circular inset shows a portrait of Fr. Baiju Varghese, with his name and title "DIRECTOR Athmayoga Academy, Vyttila" below it. The location "Conference Hall Admin Block 1st Floor" is listed at the bottom right. The footer reads "ATELIER-The Department Association of Basic Science and Humanities".

Students from all semesters and branches attended the session where they felt relieved both physically and mentally. Father spoke about the importance of each Yoga Asanas and how they

could help us to overcome the stress that we are facing now. Students found it quite relevant as they always bound on a stressed aambiance.

REPORT

QUIZ COMPETITION - 16th August 2023

To commemorate 77th Independence Day, the department of Basic Science and Humanities association ATELIER had organized a quiz competition on 16th August 2023 for our students. Students actively participated for the competition at the atrium during the lunch break from 12.30 to 1.30 and Atelier volunteers headed the event with great initiative. A glimpse from Indian history, Constitution of India, Freedom fighters were all part of the questions and students participated vehemently. On the spot registrations were made available for the students and initial filtering was done through google forms.

Students got an awareness about the importance of the day and quick review about our Constitution and history. Mr. Akhil Baby, Assistant Professor of Basic Science and humanities chaired as quiz master. Semester 6 students Mr. Adhithya of, civil engineering and Ms. Jeeva of computer engineering coordinated the event. Ms. Pooja and Ms. Richu of semester 7 students Computer science engineering bagged the prizes.
