**Report on Research Methodology Oriented Talk on Transforming Student
Project into Research Papers**

The Department of Computer Science and Engineering in association with Research and Development cell and IQAC had organized a Research Talk and Demo on "Transforming Student Project into Research Papers" for Final year CSE students on March 25, 2024. Dr. Manish T I, Professor and HOD (CSE), SSET gave an inspiring technical talk about the various ways to transform student projects to Research Papers. The objective of the talk was to create an awareness about different funding agencies within the state and other Government agencies which support the student projects. The students were shown the website of the various Government agencies and the procedure to apply for funds. The technical talk gave a vision of how environmentally friendly projects or sustainable projects can be converted to research projects which have a good scope of funding from Government agencies. The participants were very enthusiastic and the session was highly interactive followed by discussions about the same. The participants found the session very enlightening. The participants for the talk included 60 students from S8 CSE and a few faculty members.
