Dear Professor's,

Here are the details to join the technical session:

Date & Time	29th Jan to 1st Feb 2024; 2:00pm to 3:30pm (might extend to 4:00pm)
Meeting Id	https://infosys.webex.com/infosys/j.php?MTID=m11001bcab9b4390111fe629cb41491de
Meeting Number	2518 525 1521
Password	Infy123
Agenda	Student Enablement Program on Java Programming & Object oriented Programming using Java

Details wrt to course & certification:

Infosys Springboard Course Name	Infosys Springboard Course Link	Duration	Source
Programming using Java	https://infosyspringboard.onwingspan.com/web/en/app/toc/lex_auth_012880464547618816347_shared/overview	113h 2m	Infosys Wingspan
Self-Assessment Programming using Java	https://infosyspringboard.onwingspan.com/web/en/viewer/iap/lex_auth_0129116467125616642_shared?collectionId=lex_auth_012880464547618816347_shared&collectionType=Course	25q 60m	
Infosys Springboard Certification Name	Infosys Springboard Certification Link	Duration	
Java Foundation Certification	https://infosyspringboard.onwingspan.com/web/en/app/toc/lex_auth_013788171933728768154_shared/overview	1h	
Learning Objective	Understands working with Java data types Understands controlling Program Flow Understands Java Object-Oriented Approach Understands Exception Handling Understands working with Arrays and Collections Understands Java Platform Module System

Dear Professor's,

Greetings!

Happy Republic Day.

Appreciate your interest in support to various Infosys Springboard initiatives. We are delighted to invite your institution students for the **Student Enablement Program on Java Programming**.

Request you to kindly confirm and share the list of students (name & their registered email id) who would be attending the session at the earliest.

Details of the program:

Dates	29 th Jan to 1 st Feb 2024
Timings	2:00pm to 3:30pm
Courses covered	Java Basics - Introduction to Java Programming using Java

Certification

[Java Foundation Certification](#)

Arrangements to be made:

- Auditorium or seminar hall with necessary audio/video arrangements has to be made
- Request to inform the students to login and access Infosys Springboard on the computer system/laptop/mobiles during the session
- **Individual login through Webex link for the students are not entertained.** Kindly ensure institution SPoC to make the necessary arrangement for the session.
- Meeting details would be shared post confirmation

Note: The Student Enablement Program is certification based and successful completion of the relevant certification on Infosys Springboard is mandatory for all students after the webinar.

Looking forward to the participation. **Please confirm by Monday 29th Jan 2024, 12Noon** to share the technical session link.

Regards,

Pruthvi
