Dear Placement Officer,

This is to confirm that we will be visiting your college for Preplacement Engagement on

Date: 20-06-2023

Time: 10:30 AM to 12:30 PM (2 hours)

Eligibility: B.E/B.Tech/MTech, MCA

Branches: CS, IT, IS, AI/ML, IOT, Data Science, Cybersecurity

Agenda:

- Presentation on UST
- Technology Talk
- Group Interaction
- Meet with College Head and Campus Cell

Arrangements Required:

- Audio/Visual facility to display the ppt
- Standby laptop in case UST laptop is not compatible with AV systems

Kindly confirm the number of students who will attend the session.

Thanks & Regards**Geethu Ramesh**

Dear Principal Madam,

Kindly read through the trailing mail from UST regarding their pre-placement session to be held on 20th June 2023.

The seminar Hall in the administrative block, as well as the services of the computer Lab staff, are required for the session.

Expecting students from S6 CSE, S2 MCA, and M. Tech IT to attend the session (a total of 158 students)

Thanks

Dear Sir/Madam,

Please read through the trailing mail. UST is visiting the campus for a Pre-placement talk, batch 2020-2024 on **20.06.2023**.

The students should be seated in the seminar hall at the admin block as per the timings mentioned in the schedule. Kindly share the attachment with the student group.

Thanks and Regards,

Dr.Sureshkumar V,
Placement in Charge,
SCMS School of Engineering and Technology,
Ernakulam.

Together, we're making a real difference every day

What we believe

We're proud to embrace the same values that have shaped UST since the beginning. Since day one, we've been building enduring relationships and a culture of integrity. We have been championing diversity and inclusion, and placing people at the center of everything we do.

Our Values

Humility

We will listen, learn, be empathetic and help selflessly in our interactions with everyone.

Humanity

Through business, we will better the lives of those less fortunate than ourselves.

Integrity

We honor our commitments and act with responsibility in all our relationships.

What we do

At UST, you can be part of our team that is committed to providing innovative solutions for a variety of industries, such as healthcare, retail, banking and manufacturing. While working on live projects, you get to apply your learnings of powerful algorithm methods including regression analysis, dynamic programming, encryption algorithms and complex data structures like linked lists, priority queues, arrays, hash tables, etc., in delivering high-impact solutions.

Tales of Triumph

“UST is a place for people who really want to explore their creative selves and bring out the best in them. The values, culture, entrepreneurship spirit and the ‘can do’ attitude creates a great platform through which we can not only build a rewarding career but also deliver a positive impact to society,” says **Sajesh Gopinath**, General Manager - UST SmartOps™, who joined UST in the year 2000 as a Software Developer.

Tales of Triumph

“At UST, I want our people to feel that they can bring their whole selves to work. Through our focus on inclusion, we strive to create a culture of belonging, openness and collaboration, where employee creativity is unleashed, and we are able to make a boundless impact,” quotes **Anu Koshy**, Head – DE&I, Senior Director – Sales, who started her journey with us in the year 2000 as a Software Developer.

Diverse hiring is only half the story – we invest in the creation of inclusive environments

We have been recognized as one of the '100 Best Companies for Women in India 2022' (BCWI) and 'Exemplars - Most Inclusive Companies in India' (MICI) by Avtar & Seramount for the fourth consecutive year.

A few notable steps that put UST's vision of 'Transforming lives' into action include

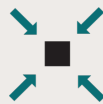

Making history by hiring the **first transgender woman** in Kerala.

Impact India, a nation-wide program for hiring differently abled associates.

Step IT Up, a global program to employ women from underprivileged communities, and veterans in the technology industry.

COLORS of UST, a program to promote volunteering and community development projects.

Curved Colors, an affinity group for the LGBTQIA+ community.

Win IT, a mentorship program for women to inculcate diversity and women empowerment.

Tales of Triumph

“At UST we have a clear mission - transforming lives of our employees, our clients, and the communities we live in. Here we embrace a strong and positive work culture that is vibrant, transformative, and inclusive. If you are passionate and you believe in the art of possibility, UST is the place with opportunities to grow at every level,” says **Vani Abraham**, Vice President Sales & Business Operations, who started her journey with UST in 2000.

Grow without limits at UST

We offer meaningful ways for you to develop your skills while developing yourself, so you can run with big ideas. Have a voice. And make a real difference.

Why UST?

Purposeful work to create a lasting impact on customers, consumers, employees, and communities.

Engaging work culture

Hands-on, collaborative internships.

Build relationships and a culture of integrity.

Touch 3 billion lives with Colors of UST Community outreach program.

Plenty of opportunities to learn, grow and innovate

UST's annual D3 Hackathon, to test engineering and programming skills.

Continuous knowledge training sessions via GAMA Learning.

Waggle - An ideation tool that enables employees to share ideas and best practices.

Garage Ventures – employee ideas led ecosystem for Innovation.

Be part of a company with LEED Gold Award-winning UST campus at Trivandrum and ISO 14001:2015 certified environmental management system.

Be part of our worldwide **sustainability initiatives** including water conservation, waste management, afforestation drives and zero and low-emission suppliers.

We're listeners and leaders, working together to take on tomorrow's challenges

“Beginning my career here at UST was a huge milestone. This company has provided me and all its people with countless opportunities to enhance not just their technological knowledge, but their interpersonal skills as well. That is when I knew that I had found the right place to start my career!

I am happy that my first steps in the professional world were made here; this workplace has had a substantial effect on who I've become today – the best version in every aspect,” says **Tessa Paul**, who joined us as a Software Developer after her graduation.

“Ever since joining UST, I've had the opportunity to explore my interests as well as grow as a professional. Our work is guided by UST's values of servant leadership, and we are encouraged to be involved in a wide range of engaging activities. This creates an environment that motivates us while being exciting and fun,” says **Anoj Sagar**, Business Analyst, who started his career with us after graduation.

Engineer a better future with technology

Title: Pre-placement talk by UST Global

Date: 20th June 2023

Location: Seminar Hall

Purpose: To give students an idea of the interview process and work culture at UST Global

A pre-placement talk was conducted by UST Global on 20th June 2023 at the Seminar Hall for the students of 6th semester CSE and the MCA

The objective of the talk was to familiarize students with the company, its culture, and the recruitment process. It covered various aspects, including the company's background, its vision and mission, career opportunities, and selection process to name a few.

The talk began at 10.30 AM with a brief introduction by the college placement officer Mr.Sureshkumar V, followed by a presentation by the officials (Mr. Timi Abraham and Mr. Dins George) of UST Global company. They briefed us about the world of opportunities at the company the entertaining and innovative events that are held from time to time, and the different stages involved in the recruitment process such as aptitude tests, technical interviews, and HR interviews.

The Company told us about various corporate social responsibilities that are fulfilled by them. Something special was the representation of our alumni, Miss Dhiya (Batch 2016-2020), who got into the company through Campus Placements.

Q&A sessions were conducted after each section of the presentation. This enabled student to clarify doubts, seek further information, and gain insights directly from the company officials. Fun quizzes were also incorporated to encourage active listening by the students.

The pre-placement talk had a significant impact on the students' understanding of the company and career opportunities. Many students expressed increased interest in pursuing employment with UST Global as a result of this talk.
