Sir,

Sub: Feedbacks from stakeholders on university curriculum

.....

The feedbacks from various stakeholders including faculty members, students, alumni and employers on curriculum were collected and analyzed. The major suggestions based on the feedbacks are as given:

- Inclusion of latest softwares as a part of laboratory syllabus for all branches
- Special credits to be given to students taking up mini projects in all branches
- To provide semester break to B.Tech students to undertake internships to enhance their technical knowledge.

Thanking you,

Dr. ANITHA G PILLAI
