SCMS SCHOOL OF ENGINEERING AND TECHNOLOGY

Vidya Nagar, Palissery, Karukutty, Kerala 683576

ONLINE CONDUCT OF ADD ON COURSES/VALUE ADDED COURSES

Online add-on courses offered by institutions are incredibly beneficial for students. They provide flexibility in learning, allowing students to acquire new skills or knowledge without the constraints of traditional classroom settings. Additionally, online courses catered to a wider audience, including students who may not be able to attend in-person sessions due to various reasons like geographical location or scheduling conflicts. During the COVID-19 pandemic, online courses offered a safe alternative to traditional in-person learning while still ensuring educational continuity. These courses covered a diverse range of topics, from technical skills to personal development, enriching students' educational experience and preparing them for future opportunities.

The screenshots of the online course and the list of students are attached.
