Vidya Nagar Palissery, Karukutty

## NOTICE

**1st July 2022**

**Awareness talk on CAD and MEP ADD on courses**

Date: August 7, 2022

Time: 11:00 A.M

Venue: Seminar Hall AC I Block

Participants: S7 & S4 ME Students

Organized by CADD, Campus

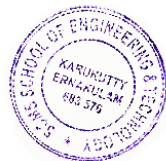

Resource Person: Mr. Sinso Joseph, Manager, CADD Kozhikode Campus

Dear S7 & S4 ME Students,

An insightful "Awareness Talk on CAD and MEP Add-On Courses" is scheduled for the S7 & S4 ME B.Tech students on August 7, 2022, at 11:00 A.M in Seminar Hall AC I Block.

This talk aims to create awareness about the importance and benefits of CAD (Computer-Aided Design) and MEP (Mechanical, Electrical, Plumbing) Add-On Courses. Mr. Sinso Joseph, Manager at CADD Kozhikode Campus, will provide valuable insights and answer any queries you may have.

All S7 & S4 ME students are encouraged to attend this session and explore the potential opportunities these courses offer.

**AWARENESS TALK ON “CAD AND MEP ADD ON COURSES”**

**EVENT** – Invited talk

**DATE** – 08/07/2022

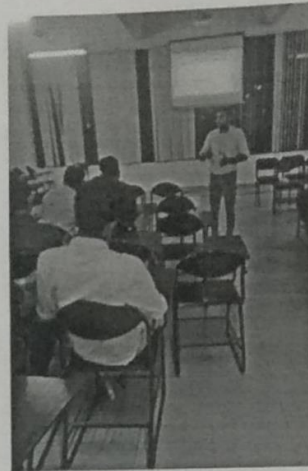

**RESOURCE PERSON** – Mr. Sinso Joseph  
Manager  
CADD Campus  
Kozhikode

**TARGET AUDIENCE** – S4 ME students

Designing is the important aspect and skill required for mechanical engineers. The student not only learns the process of designing, drawing, and manufacturing products based on their drawings. Therefore, designing skill is the foremost skill an engineer needs, learning these advanced drawing courses as add on courses along with their regular academics will help them perform better in interviews.

In this context the Department of Mechanical Engineering organized an awareness talk on “CAD and MEP add on courses” on 08 July 2022 at 11:00 am IST for 1 hour duration at Seminar hall, ACI block. The program was organized and coordinated by Dr. Raghav G R, Associate Professor. The program was specifically organized for S4 ME students. 57 students from S4 ME attended the awareness talk.

This awareness talk started with sharing the knowledge about different modules of CAD and then followed by different types of real time projects where CAD is employed. The speaker also explained about MEP courses and their application and need for talents in the industrial sector. Then he also provided insights about various mechanical specific modules of CAD and MEP courses. Finally, he ended the talk thanking the Management, Principal and HOD for giving him this opportunity to share his expertise with the students.

The list of students attended the program has been attached separately with this report.

## NOTICE

1st August 2022

### One day Workshop on Hands-on Image processing using Python

A One-Day Workshop on "Hands-on Image Processing Using Python" is scheduled for September 30, 2022, during the forenoon session in LAB 6, Administrative Block.

Key Details:

- Date: September 30, 2022
- Time: Forenoon Session
- Venue: LAB 6, Administrative Block
- Participants: S7 CSE
- Organized by: Department of Computer Science and Engineering
- Resource Persons:
  - Ms. Litty Koshy, Assistant Professor, Department of CSE
  - Ms. Arshey M., Assistant Professor, Department of CSE
  - Ms. Asha S., Assistant Professor, Department of CSE

This workshop aims to provide hands-on experience in Image Processing using Python. The resource persons, experienced faculty members from the Department of CSE, will guide you through practical sessions, ensuring a comprehensive learning experience.

All S7 CSE students are strongly encouraged to attend and actively participate in this valuable workshop.

A handwritten signature in green ink, appearing to read "Shikha".

*One day workshop on Hands-on Image Processing using Python*

## Report

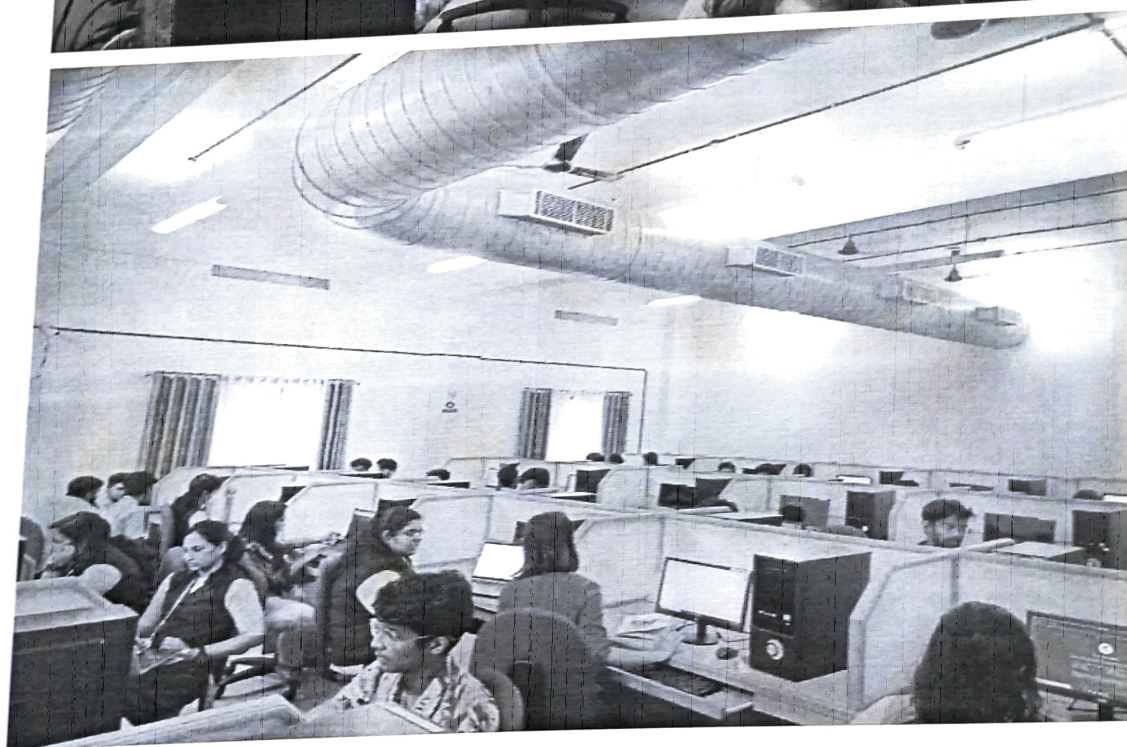

A one-day hands-on workshop on ‘Image Processing using Python’ was organized for S7 CSE students by ‘HackElite -Technical club’ of the Department of Computer Science and Engineering on 30/09/2022 in offline mode.

The workshop was conducted by Ms. Litty Koshy, Ms. Arshey M, and Ms. Asha S, Assistant Professors in CSE. The workshop was conducted at Lab 6 Admin Block. The Fundamentals of Image Processing are discussed in detail during the workshop's forenoon session, which provides an overview of image loading and conversion. The first session also included an introduction to Python programming concepts in Colab. Familiarization of NumPy, Matplotlib were also taught in the given session. The topics of introduction to machine learning and developing a machine

learning program were taught in an interactive manner in the afternoon session, clearing students' doubts. Apart from that, a hands-on session on "Handwritten Digit Classification" using sequential CNN architecture was also conducted.

This interactive session ignited the inquisitiveness of participants, and the informative workshop culminated with a vote of thanks from the resource persons and feedback from the participants.

## NOTICE

1st November 2022

Familiarizing with the Working of a Core Company - Industrial Visit for 2023 Passouts

Date: 24-11-2022

Time: 1:00 P.M

Venue: M/s Kurlis India Pvt Ltd, Sehion Junction, Mookkannur, Kerala

Participants: S7 ME

Organized by the Department of Mechanical Engineering

Dear S7 ME Students,

An Industrial Visit to M/s Kurlis India Pvt Ltd, Sehion Junction, Mookkannur, Kerala, is scheduled for November 24, 2022, at 1:00 P.M.

Key Details:

- Date: November 24, 2022
- Time: 1:00 P.M
- Venue: M/s Kurlis India Pvt Ltd, Sehion Junction, Mookkannur, Kerala
- Participants: S7 ME
- Organized by: Department of Mechanical Engineering

This industrial visit aims to provide you with insights into the functioning of a core company, allowing you to familiarize yourselves with practical aspects related to your field of study. It is an excellent opportunity for 2023 passouts to gain exposure to real-world industry practices.

All S7 ME students are expected to participate actively in this industrial visit.

## NOTICE

1st November 2022

### Two Days Hands-on Workshop on Full Stack Development

Date: 21/11/22 and 22/11/22

Time: 8:45 AM - 3:45 PM

Venue: Lab 6 (Administrative Block)

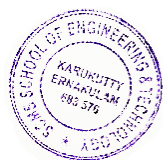

Participants: S5 CSE

Organized by the Department of Computer Science and Engineering and Edureka Learning Center Edapally

A Two-Day Hands-on Workshop on Full Stack Development is scheduled for November 21 and 22, 2022, from 8:45 AM to 3:45 PM in Lab 6 (Administrative Block).

This workshop will provide you with practical insights and hands-on experience in Full Stack Development. It is organized in collaboration with Edureka Learning Center Edapally, ensuring you receive industry-relevant knowledge.

All S5 CSE students are encouraged to actively participate in this valuable workshop.

*A two days hands-on workshop on FULL STACK WEB DEVELOPMENT*

## Report

A two day hands-on workshop on FULL STACK WEB DEVELOPMENT for S5 students was organised for S5 CS students by HackElite -Technical club of Department of Computer Science and Engineering in association with Edureka learning center on 21/11/2022 and 22/11/2022.

The Workshop was conducted by Experts team from Edureka Learning Center , Edappally. On the first day of the workshop, the Fundamentals of HTML, CSS, Bootstrap and java script were discussed in detail. On the second day, Node.JS, Express.JS and React.JS were taught. A doubt clearing section was conducted to clear all doubts of students.

This interactive session ignited the inquisitiveness of participants and the informative workshop culminated with a vote of thanks from the resource persons and feedback from the participants.

## NOTICE

2 1st December 2022

### Internship cum Training Program in AI & Machine Learning

An Internship cum Training Program in AI & Machine Learning is organized by Beinex Consulting Pvt. Ltd. This program will be conducted online from January 1, 2023, to March 30, 2023, with sessions scheduled from 8:45 AM to 3:45 PM.

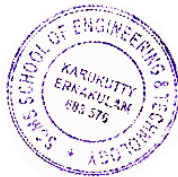

#### Key Details:

- Date: 1.1.2023 to 30.03.2023
- Time: 8:45 AM - 3:45 PM
- Platform: Online
- Participants: B.Tech CSE Students
- Organized by: Beinex Consulting Pvt. Ltd

This comprehensive internship cum training program is designed to provide you with hands-on experience and in-depth knowledge in the fields of Artificial Intelligence and Machine Learning. The online format allows for flexibility and easy participation.

All B.Tech CSE students are encouraged to take advantage of this opportunity for skill enhancement and practical exposure in cutting-edge technologies.

For further details and registration, please contact the organizing team.

Dear Sir,

Greetings from Beinex!

On behalf of Beinex Consulting Pvt. Ltd., I am quite pleased to extend your students a three-month Internship Training Programme with our AI & Machine Learning team.

We are planning to provide your students this internship position with our coveted R&D wing in Beinex, which is an ecosystem unto itself with robust connections across the world and employs some of the finest brains in the spheres of AI and ML. It will be an enriching experience for your students practising cutting-edge technology and interacting with masters in the domain.

The Internship commences on January 1, 2023, and ends on March 30, 2023, marking our nationwide intern batch intake, where students from your Institution will join like-minded interns from all over India.

Also, we will train the students and absorb them into our payroll if they prove their competency over three months. The Training Programme is free of cost and is accessible to the students without any charges. It is a meticulously planned training session with a syllabus and allied handouts.

Beinex is a digital transformation organisation, anchored in innovation, creativity, and unrivalled customer service. Our extensive range of analytics modernization and training services empower clients to construct an intelligent and dynamic enterprise by turning data into a competitive advantage.

Beinex has launched several training programmes so far, and we have a history of hiring interns to become our full-time employees with an attractive salary package.

**Internship Opportunity Summary****Domain:** BI and Data Science**Training Fees:** Zero (Pay nothing!)**Opening Salary:** Best-in-the-industry (after successful completion of the training )**Location:** Kochi, India/ Hybrid

**Last Date for Submitting Application: 28 November 2022**

**Website: [www.beinex.com](http://www.beinex.com)**

Regards,

## LIFE SKILLS TRAINING

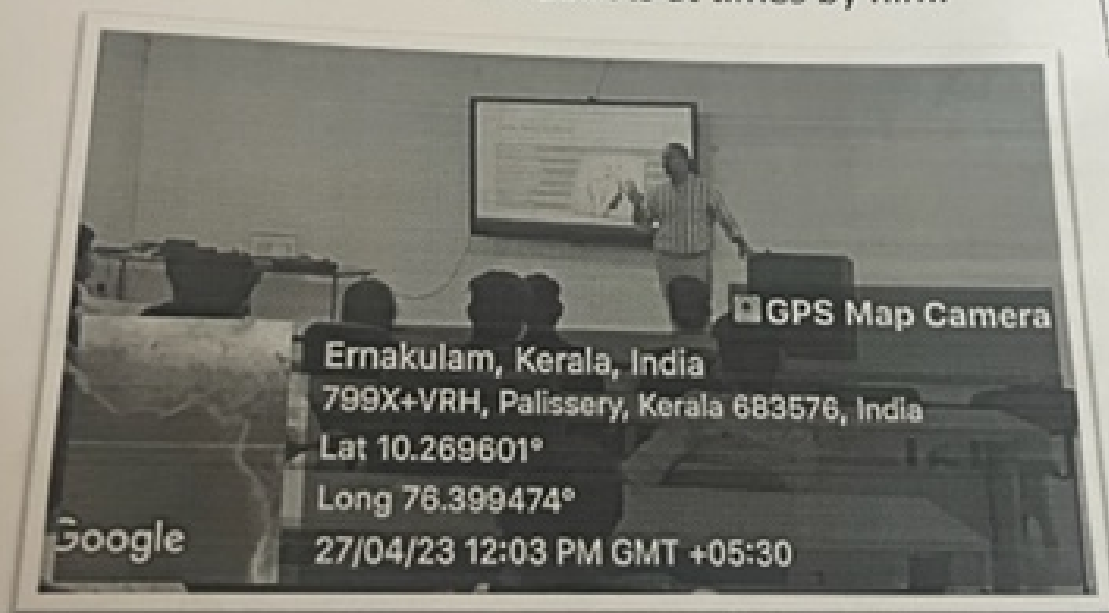

The session 'Introspections on Insights' life skill training was organized by the Department of Basic Science and Humanities in collaboration with the Atelier club.

Our representative Teres Antu and dear senior Adithya Hari, greeted all of us including our Principal, Dr Anitha G Pillai, Deputy Dean and Professor of the Department of Basic Science and Humanities, Dr. Mini Tom, Dr Srileka Menon, the HOD of the Dept. of Basic Science and Humanities to the hall where the meeting was arranged.

Then we invited our beloved guest Mr Lathif Penath, a renowned consultant psychologist, academician and trainer, who has been doing an exceptional work in the field of psychology for the past 7 years. Sir presented himself with all the charm and energy in front of us. His simplicity and friendly behaviour made us listen to him eagerly. He made us all go through a dance session, answered to every question on the spot. He shared a wonderful life experience which made us learn a lot from reality. We were amazed by his confidence and the ways he took his lecture to reach every nook and corner of our minds.

He inspired us with true life skills, life hacks and the ways in which we can make ourselves happy. He added, "It is not the reason but the source which makes us happy in our lives". He shared us tips of life skills for facing any kind challenges in our life. We were relaxed to ask doubts at times by him.

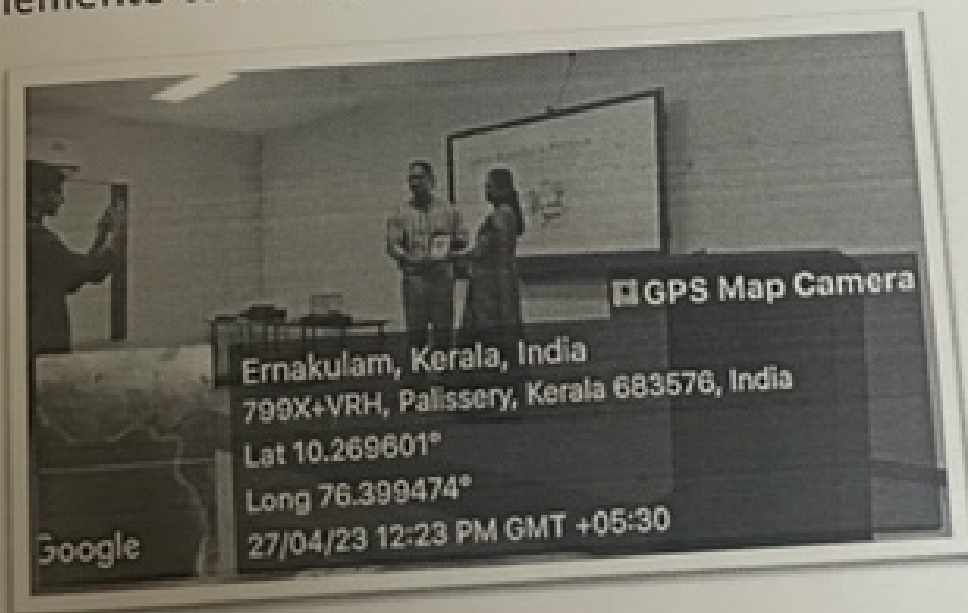

He finally concluded his talk by giving a Q&A session and some precious advices to us. It was an amazing session with him igniting our minds.

Our friend Hari was all set to deliver a feedback speech which gave sir a brief idea of our interpretations about the session which was followed by a vote of thanks.

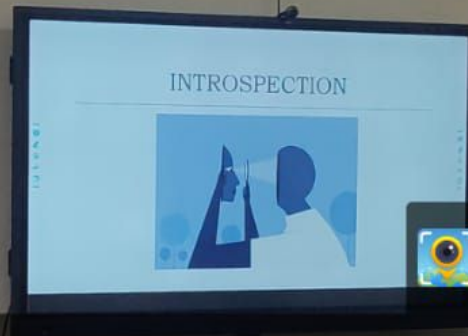

At last, we had a small ceremony where Dr Mini Tom handed over a memento to Mr Lathif Penath for his fruitful work.

It was truly a heart-warming experience which replenished our thoughts to set for a new journey.

Presented by.
