SHADES OF INDIA @75

Saluting the nation and its freedom fighters on the occasion of 75th Independence day, the NSS units of SSET conducted a pencil drawing competition “**Shades of India @75**” on 14th August 2021 with the theme “A Tribute To Our Freedom Fighters”. The event had the enthusiastic participation of around 10 volunteers.

Volunteers expressed their love and respect for the nation through their pieces of art. The entries were collected through Google forms and the competition was judged by Mr. Jayakrishnan and Ms. Angel, alumni of SSET. Sourav K from S2 CSE has been selected as the winner for **Shades of India@75**.

JEEVASARAM COORDINATORS MEET

On 2021 September 8th, a meet was conducted for the selection of the coordinators of the blood donation cell of SSET NSS 'JEEVASARAM' for the districts Ernakulam and Thrissur. Volunteers were assigned their respective duties. Some volunteers were assigned to collect the details of the patients and constantly update the requirements. Some were given the duties to search for and contact the known donors to fill the requirements. 23 of our active volunteers were given responsibilities. The meet was conducted in the presence of our programme officer Mr.Sujay K and 3 senior ex-panel members who were dealing with the blood donation cell of NSS SSET. They explained the general processes and conditions to donate blood and gave the volunteers awareness about the greatness of donating blood. The meet lasted for 2 hrs.

NSS DAY

We celebrated NSS day with great enthusiasm and patriotic fervour. The NSS day celebrations began with a compilation of Manavageetham by our volunteers. The mash-up was very beautiful, well-coordinated, and eye-soothing. Everyone shared positive feedback for their sheer effort to make such an awesome mashup. It was mainly an orientation session for our volunteers by one of our programme officers Shri. Sujay K in the presence of our senior NSS officer Shri Gopalakrishnan sir. Many of our senior NSS volunteers were also present in the session and had shared their experiences working with an organization like NSS. It was more of an interactive session and the volunteers could get a complete overview about NSS at SSET and our previously done works.

Making Paper Bags-AASHIYANA TASK-1

NSS unit of SSET organized a series of works for a week regarding sevana varam under the title "AASHIYANA" - work from home. Admitting the Covid situation, our NSS volunteers managed to make paper bags that would help in reducing the usage of plastic bags in our day-to-day life. Volunteers were asked to share the after pictures of the completed work through google forms. They were given one day for the making process. The pictures were shared accordingly and about 43 volunteers participated actively.

St.Joseph's school cleaning work/KALIMUTTAM ORUKKAM DAY – 1

NSS Unit of SCMS School of Engineering and Technology joined hands with Kudumbashree for the new initiative of the government “Kalimuttam Orukkam” at St Joseph LP School, Nalukettu on 9th October 2021 with the participation of 31 volunteers. “Kalimuttam Orukkam” is a state-level cleaning drive to ensure the safety of the students. Our volunteers started the work at 8.00 am and completed the work by 4 pm. The work was planned to be done within three days.

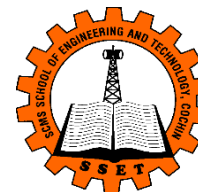

On the first day, volunteers cleaned the school premises, playground, rooftops, storeroom and repaired defective electrical equipment such as a desktop computer and a printer. We were able to make a renovation worth Rs 40,000.

Circuit rewiring and testing at nearby school premises -KALIMUTTAM ORUKKAM DAY - 2

As a part of the new initiative of the government “Kalimuttam Orukkam”, NSS Units of SCMS School Of Engineering and Technology joined hands with Kudumbashree at St Joseph LP School, Nalukettu on 10th October 2021 with the participation of 18 volunteers. Our volunteers started the work at 8.00 am and completed the work by 4 pm. The cleaning drive has been initiated by the government to ensure the safety of the students. On Day-2 of the work, volunteers cleaned the small park, the stage, school grounds, fixed the damaged switchboards with new ones, and also restored the water pump. All our volunteers sincerely and actively participated in the renovation of the school, strictly following all the covid-19 protocols.

Interior Painting and cleaning works - ANGANWADI RENOVATION DAY-1

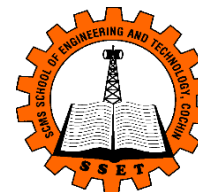

NSS Unit of SCMS School of Engineering and Technology took up the interior painting and cleaning works of Anganwadi under Karukutty gram panchayat on 9th October 2021. The volunteers reached the venue at 8.30 am and completed their work by 5 pm. In this pandemic situation, 10 volunteers took part in work. The work was planned to be done within three days. On the first day (09/10/2021) volunteers whitewashed the classrooms, cleaned the Anganwadi premises, and sketched the outlines in the classrooms with images of nature, cartoon characters for attracting tiny tots. This helps to enhance the learning atmosphere of the students.

MIZHI-NSS 7 DAY SPECIAL CAMP

From 26th December 2021 to 1st January 2022, the two units of SCMS School of Engineering and Technology's National Service Scheme hosted a seven-day camp in Palissery Govt. High School. The camp was also endowed with 70 energetic participants who enthusiastically engaged in each project with ease. The two lovely Program Officers, Sujay Sir and Rakesh Sir as well as the highly energetic Amal Sir, accompanied the students to the camp.

The first day began with everyone gathering and settling in, followed by an inauguration ceremony given by Principal Dr. Praveensal C J and our senior Program Officer Mr. Gopalakrishnan Sir. The Inaugural Ceremony was followed by an astounding Ice Breaking evening session by Mr. Manoj Jose Kalathil Sir, Assistant Professor from the Department of Mechanical Engineering.

The second day began with several projects, including the beginning of a Bamboo Park for Palissery Govt. High School's young students, cleaning and levelling the school surroundings, labelling classroom electronics for energy conservation, and making bird feeders. This was followed by an enlightening session by the famous Trans activist Mrs. Sheethal Syam.

The students enthusiastically took initiative for the following set of projects on the third day, including mat making, art on the walls of the school campus, and Mini Punerjeni, as well as finishing the incomplete projects from the previous day. This was followed by personality development training by the very energetic Mr. Rajkumar. Following that, Mr. Benny, a senior fire and rescue officer of the Kerala Fire Force and Rescue Service, presented an intriguing "Rescue Training" session.

The fourth day began with fresh work such as constructing a shade structure with passion

fruit plants, priming the toilet block with first coat, and finishing the incomplete projects from the previous days. After that, our beloved Mr. Sujay K Sir, Assistant Professor from the Department of Automobile Engineering, concluded the day with a fantastic eye-opening session.

The fifth day began with a bunch of new projects, such as cleaning the bus, preparing grow bags for farming, producing school charts, priming the bathroom block with a second coat, and finishing the projects left unfinished the previous days. Mr. VG Gopinathan Sir then gave an interesting session on the topic "Waste is Wealth".

On the sixth day, the volunteers successfully completed and concluded all the assigned projects, which was followed by an interesting session by Mr. Sanal Potty, PRO-SCMS Group on the topic "Influence of Social Media on Society."

The entire seven-day course came to a bittersweet conclusion on the seventh day with a valedictory celebration. For all of the volunteers, the camp was a great learning experience, and the camp's success was due to the overall dynamics and compassion of each and every volunteer.

From 26th December 2021 to 1st January 2022, the two units of SCMS School of Engineering and Technology's National Service Scheme hosted a seven-day camp in Palissery Govt. High School

Jeevani' 21 (Financial assistance): FINANCIAL AID

Mr. Mathai has been working as a driver in our college since 2004. He was very sincere towards his duty even during his old age of 84 years. He was under a deep financial crisis and had to work at his very old age. Considering his difficult times, and the state of his family after his demise, the Helping Hands Organization decided to offer him some aid. The organization offered Rs. 25000.00 as aid to his wife on 23-09-2021. The amount was handed over to his wife by Dr. Nisha L (HOD), Dr. Ratish Menon and Deeraj A.

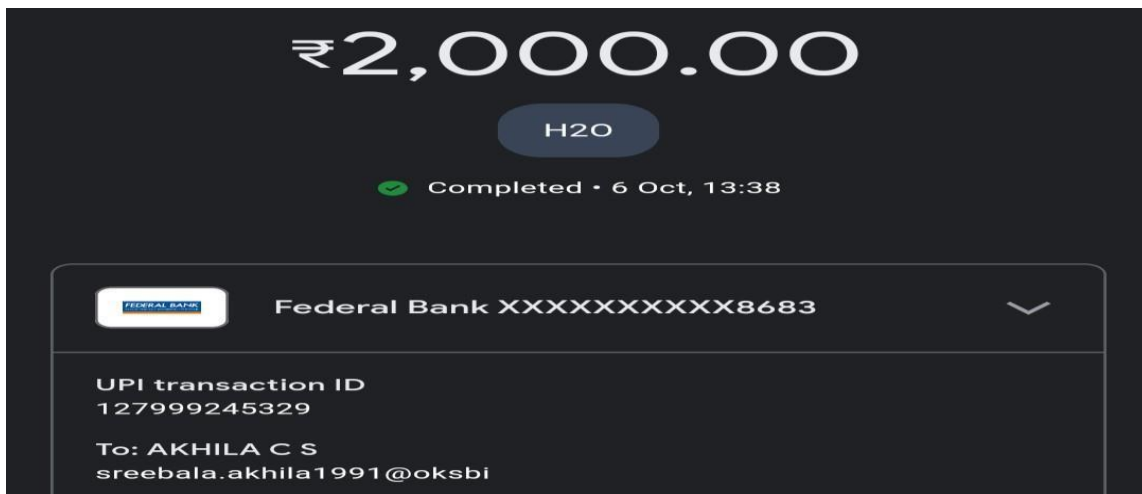

NSS-SSET in association with Helping Hands Organization decided to offer Mr. Mathai(Driver) family a financial aid of Rs. 25000.00 on 23-09-2021.

Financial Support for Ms. Akhila C S

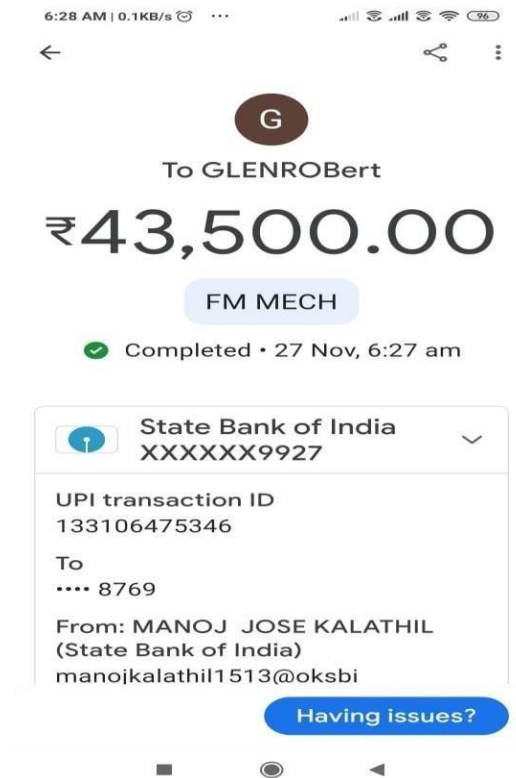

Ms. Akhila C S, was diagnosed with tumor in her brain, and had to undergo brain surgery. An amount of 6 Lakhs was required for the surgery. H2O had contributed a financial aid of Rs.2000 (Rupees Two thousand only) towards this cause. The amount was transferred to her account and the UPI transaction ID is 127999245329.

Financial Support for Mr. Benny

Mr. Benny, was diagnosed with tumor in his brain, and had to undergo brain surgery. An amount of 20 Lakhs was required for the surgery. H2O had contributed a financial aid of Rs.43,500 (Rupees forty three thousand five hundred only) towards this cause. The amount was transferred to his account and the UPI transaction ID is 133106475356.

Report Conclusion:

The extension activities carried out amidst the COVID-19 pandemic during 2021-2022 have demonstrated resilience, adaptability, and a steadfast commitment to community service. Despite the unprecedented challenges posed by the pandemic, our efforts to engage with and support communities have remained unwavering. Through innovative virtual platforms, outreach programs, and remote initiatives, we have continued to foster connections, disseminate knowledge, and address critical needs. As we navigate these extraordinary times, we remain dedicated to leveraging our resources and expertise to uplift communities, promote learning, and contribute meaningfully to societal well-being in the face of COVID-19 adversities.
