SCMS SCHOOL OF ENGINEERING AND TECHNOLOGY

DR. PRADEEP P THEVANNOOR LEARNING RESOURCE CENTRE

The Central Library of SCMS School of Engineering and Technology known as Dr. Pradeep P Thevannoor Learning Resource Centre (Dr. PPTLRC) has a carpet area of 2309 m² with 1200 m² earmarked as a reading space with a seating capacity of 190. The library is available for the use of the students and staff for 12 hours on all working days and 7 hours during Saturdays and vacations. The Central Library is well stocked with university-prescribed textbooks, more than **38000 volumes in 9684 titles** of reference and general books, **124 journals** published in India, and more than **500 international** full-text subscribed e-journals. The average annual Expenditure for the purchase of resources during the last five years is **INR 15 lakhs**. All library functions are automated using the Linways Library Management module of our campus software. The Linways- ILMS which takes care of various library functions, including cataloguing, circulation, user management etc. Some major services and facilities provided to users through our Library Management systems are:

- Library book check-in / check-out facilities,
- Book search facility (OPAC service),
- Subscribed e-resources database links and remote access details,
- Links of other important e-resources like OER for the benefit of students and staff are available through the 'E-Journal links' of our ILMS.
- The users can also access the previous year's question papers, syllabus etc. through the 'Digital Library' link of the Library Management System.
- Online resources like **IEEE, ASME, ASCE, J-Gate, EBSCO E-Books, DELNET, NPTEL, NDL (National Digital Library) of India, SSET-NDLI CLUB, SWAYAM, MIT Open Courseware, Open Educational Resources (OER)** etc. are available.
- Being a part of APJ Abdul Kalam Kerala Technological University - Digital Library Consortium, all students and staff of the institution can access **Elsevier-Science Direct Journals, Knimbus Digital library Platform** for e-resources access and all faculty are registered users of **TURNITIN** plagiarism Checking Software

As the e-journal access is IP-based, the stakeholders can take benefit of this facility from anywhere in the campus at any time. All these resources are available for access to the

Students/staff through the library module in a single window. A **remote access** facility to access all subscribed e-resources is also provided through the **Knimbus Digital Library Platform** and the link is also available through the Linways portal. These facilities support the students in their self- learning activities. To enhance the quality of publishing, the library provides plagiarism detection and prevention services using **TURNITIN software**. Separate Reference, Periodical, Circulation, Digital Library section, reading area, and new arrivals and library rules display system facilities are available in the library. **Open Wi-Fi access facility** and separate computer systems are provided for e-resources access and document scanning at the library.

The screenshot shows a web browser window with the URL `sset.linways.com/library/library.php?menu=home`. The page header includes navigation links like "Change Password", "Welcome admin", "Home", "Help", and "Logout". The main content area is titled "Welcome to library" and features a "STUDENT TRANSACTION" form. The form has tabs for "Student", "Faculty", "BBS", "Return Book", and "Renewal". Under "STUDENT TRANSACTION", there are radio buttons for "Issue Book" (selected) and "Return Book". Below that, there are radio buttons for "Student Name" (selected), "Student Account", and "Admission No.". Input fields for "Student Name*" and "Accession No." are present, with a note "eg: prefri-12,prefri-33,45 for multiple entry." and "Reset" and "Submit" buttons.
