Dear prospective students in the international Master's programmes,

There are a lot of things to do before your Master's programme at TUHH starts in October 2022. This guideline will inform you about the important things you need to get done before your departure to Hamburg. If you have been admitted to the Joint Master's program in G-TIME you will get separate information by email.

1. ADMISSION LETTER

You can download your certificate of admission (approval document) from the application portal. You will need the certificate of admission to apply for the visa, for a bank loan and later on for the German health insurance. Please note that TUHH doesn't send hardcopies of the certificate of admission by post mail. You can find a confirmation concerning study and living expenses on page 2 of the admission letter.

2. CLARIFY MONEY-RELATED QUESTIONS (AS SOON AS POSSIBLE!)

Proof of Financial Resources

For your visa application (and also later on for your residence permit) you will need a proof of financial resources which shows that you can finance your studies and daily living costs in Germany. Students must prove that they have at least € 10.332 per year at their disposal. To get further information please contact the German embassy directly: <https://www.auswaertiges-amt.de/en/aussenpolitik/laenderinformationen>

Costs of Living and Semester Contribution

The costs of living in Hamburg are rather high. Students should count a minimum of €860 per month including accommodation, semester contribution and health insurance!

Each semester students have to pay a semester contribution of app. €335,-. A ticket for public transport (valid for 6 months throughout the public transportation network in Hamburg) is included within the semester contribution. New students will get the payment details after they have completed all the enrolment formalities.

Especially at the beginning, students might be required to spend more than 860 Euros in a month (e.g. to pay a deposit when renting a room, for the semester contribution and the fees for your residence permit). It is therefore highly recommended to make sure that you have access to sufficient financial means.

3. APPLY FOR A STUDENT VISA (AS SOON AS POSSIBLE!)

International students need a student visa to enter Germany!

Students from the European Union (and some other countries) are exempted from this requirement.

Visa application may take several months' time! To check if you need a student visa and to get further information about the visa application please check the website of the German Embassy in charge of your place or residence: <https://www.auswaertiges-amt.de/en/aussenpolitik/laenderinformationen>

Do not enter Germany with a tourist visa or national residence permit issued by a Schengen country! If you do so, you have to leave Germany after 90 days and after that you cannot re-enter the country!

4. APPLY FOR ACCOMMODATION (APPLICATION PERIOD: APRIL 27 – JUNE 15, 2022)

In Germany, public universities do not offer rooms in a student hall on campus and students do not automatically receive rooms when accepted by the university. They have to find accommodation by themselves! In Hamburg the accommodation situation for students is extremely difficult, as cheap accommodation is hard to find. It is very important to start the search for accommodation as soon as possible! You have to arrange accommodation prior to your arrival. Do not trust on finding accommodation after your arrival! In cooperation with the Studierendenwerk, who is the owner of the public student halls in Germany, the TUHH Accommodation Office can offer a limited number of Freshman Rooms in selected student halls and private housing. Please note, that there is a very high number of applications for rooms every year. Therefore we recommend you to find accommodation by yourself before your arrival.

Application period: April 27 – June 15, 2022

Contact: rooms@tuhh.de
www.tuhh.de/rooms

If you choose a private room, be careful when it comes to transferring deposits. Only pay the deposit when you have seen the accommodation, signed the rental contract and received the keys.

5. SUBMIT THE DECLARATION OF ACCEPTANCE (BY SEPTEMBER 1, 2022)

For organizational reasons we need to get a clear idea of how many students intend to join our programmes. Please submit the declaration of acceptance by September 1, 2022. To do so please use the appropriate feature in the online application portal.

6. ENROLMENT AT TUHH (BY OCTOBER 1, 2022)

On September 1, 2022 we will activate the enrolment-tool in the application portal: <https://tune.tuhh.de/> You should do the online-enrolment with a computer, doing it with a smart phone might cause problems! After you have submitted the online-enrolment, you will find the "Application form for enrolment" in the application portal! **Please print the complete enrolment form with all additional documents and don't forget all the required signatures!** An application for enrolment with missing sheets or missing signatures is not valid cannot be considered!

With the completed and signed application for enrolment we need the documents listed below.

Required documents:

1. A copy of your passport
2. German address. Since your personal presence at TUHH is required, a German address is mandatory! We need a German address to which we can send your student ID and the semester ticket. Unfortunately, we cannot send the semester documents abroad. If you do not have a permanent address at the time of enrolment, you can also provide a temporary address or the address of a friend.

10. ARRANGING A GERMAN HEALTH INSURANCE

Students in Germany are obliged to be insured at a German statutory health insurance company (costs: app. €110 per month). Students with a DAAD scholarship also need a German statutory health insurance!

Students older than 30 years of age cannot sign up for a statutory health insurance, but have to apply for coverage with a private German health insurance.

Only students from EU member countries, Iceland, Liechtenstein, Norway or Switzerland, who are able to present a valid European Health Insurance Card (EHIC), don't have to arrange an additional German health insurance. The EHIC is valid all around Europe. However students with an EHIC cannot take up a student job or a paid internship in Germany. Students who are planning to do so should arrange a German statutory health insurance.

Some statutory health insurances that you may find in Hamburg-Harburg:

The health insurance will issue a certificate for registering at university (called "Bescheinigung zur Einschreibung bei der Hochschule"). Please don't forget to submit this document with your application for enrolment! A copy of your health insurance contract is not sufficient for enrolment. If you managed to arrange German health insurance before the enrolment, please submit the proof of health insurance upon enrolment.

A few weeks after arranging statutory health insurance you will get a health insurance card which you need to take with you when you visit a doctor. If you have a statutory health insurance medical treatment is free of charge, however some special treatments e.g. tooth replacement must generally be paid for in full. When in doubt please contact your health insurance beforehand.

Your student identification number is 034607622. You will need this number to access your student account. You can enter the USA no more than 30 days prior to the start date on your I-20. It is advisable to arrive in the USA at least one week before classes in order to participate in New International Student Orientation, mandatory for all new and transferring international students. Please verify by e-mail your notice of intent to begin classes at Purdue University Northwest and provide your travel itinerary, if possible.

Enclosed is your Certificate of Eligibility (Form I-20), which you must use to secure permission to enter and/or remain in the United States. Your SEVIS number is on this document. Please read section "Student Attestation" at the bottom of page one. When you are certain you understand the statement, sign on the line provided and indicate the date. If you are now outside the United States, present the Certificate of Eligibility to the nearest United States Consulate or Embassy to secure a student visa.

For initial entry into the United States, you are required to report to the specific school that has issued your I-20, in this case, Purdue University Northwest Hammond campus. Please bring all your immigration documents with you including the electronic printout of your I-94 admission number.

Again, congratulations on your admission to Purdue University Northwest. We are delighted to know that you will be a student at PNW, and we trust that your experience with us will be challenging and rewarding. Would you like to appeal a decision regarding eligibility?

You may appeal a decision that you haven't met or been exempted from the entry requirements for a specific course or programme. You may not appeal that you weren't offered a place.

Time frame

The appeal must be in writing and must reach University Admissions in Sweden no later than three weeks from the date you read your admissions results.

How to submit your appeal

There are two ways you can submit your appeal:

- online using the Appeals guide
- in writing using the postal service

Appeals guide

The easiest way to submit your appeal is online using the Appeals guide. Log in to your account, go to 'Documents' and follow the instructions for appeals.

Written appeal

You can also write your own appeal letter. In your letter, include the following information:

- what decision you're appealing
- why you think the decision should be changed
- what change you're requesting
- which university the appeal concerns

Be sure to sign your appeals letter and provide your address, telephone number and email address.

For most universities, you should begin your appeals letter with "**To the Higher Education Appeals Board**", which is the responsible Swedish public authority. However, there are a few exceptions. If your appeal is for Chalmers University of Technology, Marie Cederschiöld University, Stockholm School of Economics, Jönköping University, The Red Cross University College of Nursing, Sophiahemmet University College, Johannelunds Theological University College or University College Stockholm, your appeal must begin with "**To the Vice-Chancellor**" as these universities themselves are the decision-making authority for the appeal.

Submit your written appeal by regular post to:

Överklagande/Appeals, PostNord Strålfors AB, Att: University Admissions in Sweden, R 312, SE-190 81 Rosersberg, Sweden.

Do you have protected personal data?

If you have full identity protection, never upload documents to Universityadmissions.se or send anything to the above address. Instead, send your appeal by regular post to: UHR, c/o SGA, Box 4030, 171 04 Solna, Sweden.

Response

First, the university will review your appeal to see if there are grounds to reverse their decision. The university will then forward your appeal to the Higher Education Appeals Board. The decision that the Appeals Board makes is final and cannot be appealed.

Where applicable, we may be able to issue you an Unconditional Offer Letter as evidence that you have fulfilled all admissions entry requirements

Accepting Our Offer

If you wish to accept this offer and firmly reserve a place you must reply by email quoting your name and reference number (as above) and confirming the course you are accepting.

By accepting your offer of a place, a Student Contract will be formed between you and the University. A copy of [the 20/21 Student Contract](#). This Offer Letter, the 20/21 Student Contract (and the documents referenced within it), detail the rights and the obligations you will be bound by during your time as a student and contain the obligations that the University will owe to you. You should read the Student Contract before you accept an offer of a place and before you enrol at the University.

Likewise, you may not be allowed to attend classes if originals of these are not provided.

Please ensure you allow sufficient time (approx. 7- 10 working days) for your payment to be processed by your bank, received by the University

and credited in to your student account. You may not be able to attend classes and have full access to University facilities, if you do not fulfil all the requirements for enrolment.

If you have to extend your studies beyond the normal duration of the course (e.g. to repeat a year or resit examinations) the University reserves the right to charge you fees at a higher rate during the additional period of study.

This offer is produced on our understanding that you are an overseas fee payer. If for any reason you believe you are a home/EU student, you need to complete a fee assessment form and provide all supporting documents for us to assess and confirm your fee status. We will need this completed at least 8 weeks to the start of your course. Tuition Awards and Scholarships

If you have been awarded a tuition award or scholarship, you will only be able to apply them onto your final tuition payment (not towards your second instalment). If paying your full fees upfront, at once before enrolment, we recommend that you deduct the value of the tuition award or scholarship before making your full payment. Refunds could take numerous weeks to process.

Academic Progression

If you have ever studied in the UK prior to joining the University, you must provide details of any study undertaken, including results and copies of visas held. You should also inform us of any courses you have failed or failed to complete for any reason. Failure to disclose this may result in visa refusal or withdrawal of our sponsorship of your study in the UK.

Sponsored Students

If you are being sponsored by a UKVI approved organisation (such as your Government or your employer), please ensure you provide us with a formal and acceptable letter of Sponsorship confirming the terms of the sponsorship, in accordance to the tuition and maintenance fees stated above.

If you are under the age of 18 at the time you accept this offer, you need your parent or guardian's consent and you must fill in the form providing us with contact details of a UK-based parent/guardian, who will be accessible to the University should the need arise.

We will not issue your CAS letter if this form is not completed fully and returned to us.

Alternative Offers

Please note that admissions onto our courses are subject to you fulfilling our minimum entry requirements. If we assess your application and qualification(s) (with you providing a portfolio, undergoing a faculty interview where required) for a particular course, we may have offered you an alternative course that is more suitable to you

based on your qualifications and skill set. Please note, alternative courses offered may take place at one of our other campuses. Please read the offer details above very carefully.

MDes or MEng Programmes are over four years with the possibility of doing an Industry Enhancement year. This is reflected within the exit titles associated with the four-year courses, either Sandwich BA/BEng (Hons) qualification or an integrated Masters course with an MDes/MEng qualification. The Integrated Masters route is designed for high achieving students to continue their studies and to develop advanced technical skills; as such, achievement attained during level 2 is used to determine suitability for progression. Additionally, a three year BA (Hons) degree is available for those wishing to omit the Industry Enhancement year. We would only issue an offer and CAS for a standard 3 year or 4 year BA/BSc Degree and not for an integrated masters.

If you opt to extend the length of your course after your visa has been granted and this extension does not involve an Industrial placement, you will be required to return to your home country in order to extend your student visa. You will be responsible for covering all additional costs associated with this including visa applications and return travel.

Applying for an ATAS Certificate (if required)

If any of your subjects are listed before, you **must** apply and obtain an ATAS certificate (issued by the Academic Technology Approval Scheme), before you apply for or extend your Visa, Entry Clearance, or Extension of Stay. **If your course is listed below, it MAY STILL require ATAS, so please ensure you check the Home Office website for updates.** Please visit <https://www.gov.uk/guidance/academic-technology-approval-scheme> to apply online for your ATAS certificate **if required** and obtain more information on the scheme. You are required to meet the following conditions before enrolment begins on 6th September 2021:

- Pay the 2nd installment of your tuition fees which must be received by the University before your arrival for enrolment. [*Once you have received your visa, please make arrangements to pay your 2nd instalment before 6th September 2021. Please note, tuition awards and scholarships cannot be used to fulfil this requirement (they can only be applied towards the fulfilment of your final instalment).*]
- Ensure you have and bring with you the originals of all the academic documents used in issuing your CAS to you. Photocopies or photos of these on your phone will not be accepted at enrolment

Refunds may be given if you are refused a student visa (subject to the University Refund Policy and Current UKVI Immigration Regulations).

Important Information-please read

Enrolment onto your course is subject to you obtaining the right to study in the UK on a course at the University.

Confirmation of Acceptance for Studies ("CAS")

On confirmation of evidence that you have met all the entry conditions set out above, save for obtaining a visa, including receipt of your 1st Tuition payment (or an acceptable financial guarantee letter) by our finance department, we will e-mail you your unique CAS number (if applicable). This will be a PDF copy of the CAS statement generated from the UKVI's SMS portal. You will need your CAS to apply for your student visa. Where applicable, we may be able to issue you an Unconditional Offer Letter as evidence that you have fulfilled all admissions entry requirements

Accepting Our Offer

If you wish to accept this offer and firmly reserve a place you must reply by email quoting your name and reference number (as above) and confirming the course you are accepting. Alternatively, on meeting your offer conditions and by paying the Deposit, on receipt of the Deposit by the University you formally accept your offer of a place with the University.

This offer has been made on the basis that you are an International Student. If this is not correct, this offer may be withdrawn at any time.

If you consider that you are a Home fee paying please contact ukadmissions@coventry.ac.uk who will review this offer.

By accepting your offer of a place, a Student Contract will be formed between you and the University. A copy of the 21/22 Student Contract will be sent in due course, which you will be signing up to when you enrol. A copy of the 20/21 Student Contract can be found on our website. This Offer Letter, the 21/22 Student Contract (and the documents referenced within it), detail the rights and the obligations you will be bound by during your time as a student and contain the obligations that the University will owe to you. You should read the Student Contract before you accept an offer of a place and before you enrol at the University.

Your Student Contract with the University begins as soon as you accept your offer. If you want to cancel your place, you have the right to do so within 14 days of accepting the offer. Within that 14 day cooling off period, you do not have to give a reason for cancelling. However, you must tell us that you want to cancel your place in a clear, written statement. If you need help making your statement clear, you can fill out the cancellation form attached to the enclosed 21/22 Student Contract and email it to applications.io@coventry.ac.uk.

Enrolment Details

Further information will be sent to you by email advising you on how to enrol, most importantly:

- Ensure you do bring originals of the academic documents used by the Admissions team to issue your CAS to you [these would be stated on your CAS in the evidence to obtain offer section.] for verification by the University's Compliance team
- Ensure your personal details including your full names and date of birth on your original academic documents **do match** the same details on your passport. If there are any discrepancies between these documents and your passport you need to provide a supporting letter from your previous institution

Please note that students or 3rd parties may no longer be able to pay in Cash deposits at the branch counters at some UK banks. So we strongly advise you make your tuition payment(s) using one of the options highlighted above.

Tuition Awards and Scholarships

If you have been awarded a tuition award or scholarship, you will only be able to apply them onto your final tuition payment (not towards your second instalment). If paying your full fees upfront, at once before enrolment, we recommend that you deduct the value of the tuition award or scholarship before making your full payment. Refunds could take numerous weeks to process.

Academic Progression

If you have ever studied in the UK prior to joining the University, you must provide details of any study undertaken, including results and copies of visas held. You should also inform us of any courses you have failed or failed to complete for any reason. Failure to disclose this may result in visa refusal or withdrawal of our sponsorship of your study in the UK.

Sponsored Students

If you are being sponsored by a UKVI approved organisation (such as your Government or your employer), please ensure you provide us with a formal and acceptable letter of Sponsorship confirming the terms of the sponsorship, in accordance to the tuition and maintenance fees stated above.

Please note that the University does not accept MOHE sponsored student onto Undergraduate courses that are less than 3 years in length.

Completing the under- 18 Parental Consent and Guardianship Form (if required)

If you are under the age of 18 at the time you accept this offer, you need your parent or guardian's consent and you must fill in the form providing us with contact details of a UK-based parent/guardian, who will be accessible to the University should the need arise.

We will not issue your CAS letter if this form is not completed fully and returned to us.

Alternative Offers

Please note that admissions onto our courses are subject to you fulfilling our minimum entry requirements. If we assess your application and qualification(s) (with you providing a portfolio, undergoing a faculty interview where required) for a particular course, we may have offered you an alternative course that is more suitable to you based on your qualifications and skill set. Please note, alternative courses offered may take place at one of our other campuses. Please read the offer details above very carefully.

MDes or MEng Programmes are over four years with the possibility of doing an Industry Enhancement year. This is reflected within the exit titles associated with the four-year courses, either Sandwich BA/BEng (Hons) qualification or an integrated Masters course with an MDes/MEng qualification. The Integrated Masters route is designed for high achieving students to continue their studies and to develop advanced technical skills; as such, achievement attained during level 2 is used to determine suitability for progression. Additionally, a three year BA (Hons) degree is available for those wishing to omit the Industry Enhancement year. We would only issue an offer and CAS for a standard 3 year or 4 year BA/BSc Degree and not for an integrated masters.

If you opt to extend the length of your course after your visa has been granted and this extension does not involve an Industrial placement, you will be required to return to your home country in order to extend your student visa. You will be responsible for covering all additional costs associated with this including visa applications and return travel.

Applying for an ATAS Certificate (if required)

If any of your subjects are listed in the attached ATAS list, you must apply and obtain an ATAS certificate (issued by the Academic Technology Approval Scheme), before you apply for or extend your Visa, Entry Clearance, or Extension of Stay. If your course is not listed, it **MAY STILL require ATAS, so please ensure you check the Home Office website for updates. Please visit <https://www.gov.uk/guidance/academic-technology-approval-scheme> to apply online for your ATAS certificate **if required** and obtain more information on the scheme.**

If an ATAS certificate is required, you will not be granted access to your learning materials or be permitted to enrol onto your course until you provide a relevant ATAS certificate to the University.

Data protection

The University has a comprehensive Data Protection Policy which can be found on our website.

You can find out more about how the University handles student data and your rights in relation to data protection in our Fair Processing Notice for students a copy of which can be found on our website at
