GROUP OF EDUCATIONAL INSTITUTIONS

MEMORANDUM OF UNDERSTANDING

between

Hungkuang University (Taichung, Taiwan R.O.C)

and

SCMS Group of Educational Institutions (Kerala, India)

Hungkuang University, located at Taichung, Taiwan R.O.C. and SCMS Group of Educational Institutions, located at Cochin, Kerala, India wish to develop academic/cultural exchange between the two institutions in education, research and other areas, and agree to formally establish a collaborative relationship with each other. Subject to mutual consent, the provisions of the agreement are as follows:

Article I.

The areas of collaboration include any program offered by either university in which the two institutions believe collaboration is feasible and desirable and which would develop and enhance a mutually beneficial relationship between the two universities.

Article II.

Subject to the approval of the President of each institution and the availability of funding, assistance shall be carried out through any one or more of the following activities or programs as mutually agreed to by both parties:

- i. Student Exchange Program
- ii. Faculty Exchange Program
- iii. Special Short-term Academic Programs
- iv. Staff Development Projects
- v. Joint Research and Activities

Article III.

This cooperation agreement shall become effective as soon as the presidents of both institutions sign it, and will remain in force for a period of five years. This MOU will be automatically renewed on the same terms and conditions for another five years unless either party raises a written notification 6 months prior to the date of expiration. Either party reserves the right to terminate this agreement upon a one-year prior written declaration by the terminating party.

Article IV.

Any amendment to this MOU shall be based on the mutual consent and requires the written approval of the President of each institution that shall be appended hereto. This declaration will become effective with the agreement of both parties.

Dear Dr. Vinod,

Greetings!

I'm Peyton Lee, a coordinator of Hungkuang University International Office responsible for global collaboration projects.

It is undeniable that education has been hit particularly hard by the COVID-19 pandemic. School closures in countries worldwide, universities switch to online courses and endless of international exchange programs being put on hold.

Under such circumstances, we'd like to grab this opportunity to thank you for agreeing to deliver a webinar to our students and faculty, so that our collaboration gets to continue in a different way. The honor is definitely ours.

For us 27th May 10.30a.m. to 12.00p.m. your time is perfect. We would very much appreciate it if you could kindly send me your CV and topic you'd like to present, I'll then share with our departments. Also, I'll help set up the meeting room and send you the webinar link right after we have it confirmed.

Till I hear from you, take care and be safe!

Best regards,

Peyton Lee 李昭妮

Good Morning

Thanks for inviting me to the talk. I am really excited to share my ideas regarding "Machine Learning Approaches for Detecting Malicious Code". In this talk I will discuss the following:

- [1] What is malware?
- [2] State of Art detection methods
- [3] Machine learning approaches for detecting malware
- [4] Attacks on machine learning-based malware scanners
- [5] Countermeasures
- [6] Ongoing Cybersecurity research at SCMS, Kerala, India

You can also suggest if something more needs to be discussed. I will share my CV and photograph by today evening.

Regards

Vinod
