Department of Civil Engineering
A REPORT ON CIRCLE OF EXCELLENCE

Date: 9th May 2019   **Venue: Seminar Hall II, 2nd Administrative Block**

A felicitation ceremony was organized by the Department of Civil Engineering to honour the top performers in academics for the 2018-'19 odd semesters and the winners of various departmental competitions conducted during the current semester. The programme was held on 9th May, 2019 at the seminar hall of AD Block. The function started off at 3.00pm with a prayer song by the choir group.

Our beloved HoD, Dr. Anitha G. Pillai addressed the gathering. She gave an inspirational and moving address recounting the achievements reaped by SSET in academics and sports in this academic year. Her message was aimed to have pride and to remain determined and cheerful in the face of adversity. She congratulated the awardees and also invited the students who were placed through campus placement onto the dais with much cheer and applause. She made a remarkable note on the meritorious achievement of our student Ms. Shanaraj of S8 CE1 in the GATE 2019 exam. She also congratulated the faculty and staff for their excellent work in sustaining the all-round growth of the college and urged them to strive for improving the results in upcoming semesters.

The Principal of our college, Dr. Praveensal C. J. presided over the function. He made a short but valuable speech. He congratulated the winners and blessed the students for their bright future. He advised them not to be content with, instead should have an aspiration for higher attainment. After that the class toppers of all semesters were felicitated with mementos and certificates by the Principal and the HoD. A special award was given to honor Ms. Shanaraj for her consistent excellence in academics. The prizes for various departmental programmes (*Creazione '19, Inquisitive, Mosaic, Do A Volte-face*) was also distributed in the occasion.

On behalf of all the faculty members, Mrs. Sanju Sreedharan, Asst. Professor, Dept. of CE felicitated the students and wished them all success in their future endeavours. Student representatives from the final semester shared their experiences at SSET. They commented that the faculties' willingness and ability to employ effective teaching methods into teaching

enhanced their learning process. They also acknowledged the faculties for providing a collegial approach to the students in nourishing their overall talents.
