ANGANWADI RENOVATION DAY-1

VENUE : ANGANWADI, KARUKUTTY

NSS Unit of SCMS School of Engineering and Technology took up the interior painting and cleaning works of Anganwadi under Karukutty gram panchayat on 9th October 2021. The volunteers reached the venue at 8.30 am and completed their work by 5 pm. In this pandemic situation, 10 volunteers took part in work. The work was planned to be done within three days. On the first day (09/10/2021) volunteers whitewashed the classrooms, cleaned the Anganwadi premises, and sketched the outlines in the classrooms with images of nature, cartoon characters for attracting tiny tots. This helps to enhance the learning atmosphere of the students.

MIZHI-NSS 7 DAY SPECIAL CAMP

From 26th December 2021 to 1st January 2022, the two units of SCMS School of Engineering and Technology's National Service Scheme hosted a seven-day camp in Palissery Govt. High School. The camp was also endowed with 70 energetic participants who enthusiastically engaged in each project with ease. The two lovely Program Officers, Sujay Sir and Rakesh Sir as well as the highly energetic Amal Sir, accompanied the students to the camp.

The first day began with everyone gathering and settling in, followed by an inauguration ceremony given by Principal Dr. Praveensal C J and our senior Program Officer Mr. Gopalakrishnan Sir. The Inaugural Ceremony was followed by an astounding Ice Breaking evening session by Mr. Manoj Jose Kalathil Sir, Assistant Professor from the Department of Mechanical Engineering.

The second day began with several projects, including the beginning of a Bamboo Park for Palissery Govt. High School's young students, cleaning and levelling the school surroundings, labelling classroom electronics for energy conservation, and making bird feeders. This was followed by an enlightening session by the famous Trans activist Mrs. Sheethal Syam.

The students enthusiastically took initiative for the following set of projects on the third day, including mat making, art on the walls of the school campus, and Mini Punerjeni, as well as finishing the incomplete projects from the previous day. This was followed by personality development training by the very energetic Mr. Rajkumar. Following that, Mr. Benny, a senior fire and rescue officer of the Kerala Fire Force and Rescue Service, presented an intriguing "Rescue Training" session.

The fourth day began with fresh work such as constructing a shade structure with passion

fruit plants, priming the toilet block with first coat, and finishing the incomplete projects from the previous days. After that, our beloved Mr. Sujay K Sir, Assistant Professor from the Department of Automobile Engineering, concluded the day with a fantastic eye-opening session.

The fifth day began with a bunch of new projects, such as cleaning the bus, preparing grow bags for farming, producing school charts, priming the bathroom block with a second coat, and finishing the projects left unfinished the previous days. Mr. VG Gopinathan Sir then gave an interesting session on the topic "Waste is Wealth".

On the sixth day, the volunteers successfully completed and concluded all the assigned projects, which was followed by an interesting session by Mr. Sanal Potty, PRO-SCMS Group on the topic "Influence of Social Media on Society."

The entire seven-day course came to a bittersweet conclusion on the seventh day with a valedictory celebration. For all of the volunteers, the camp was a great learning experience, and the camp's success was due to the overall dynamics and compassion of each and every volunteer.

KALIMUTTAM ORUKKAM DAY - 1

VENUE: St Joseph LP School, Nalukettu

NSS Unit of SCMS School of Engineering and Technology joined hands with Kudumbashree for the new initiative of the government “Kalimuttam Orukkam” at St Joseph LP School, Nalukettu on 9th October 2021 with the participation of 31 volunteers. “Kalimuttam Orukkam” is a state-level cleaning drive to ensure the safety of the students. Our volunteers started the work at 8.00 am and completed the work by 4 pm. The work was planned to be done within three days.

On the first day, volunteers cleaned the school premises, playground, rooftops, storeroom and repaired defective electrical equipment such as a desktop computer and a printer. We were able to make a renovation worth Rs 40,000.

JEEVASARAM COORDINATORS MEET

On 2021 September 8th, a meet was conducted for the selection of the coordinators of the blood donation cell of SSET NSS 'JEEVASARAM' for the districts Ernakulam and Thrissur. Volunteers were assigned their respective duties. Some volunteers were assigned to collect the details of the patients and constantly update the requirements. Some were given the duties to search for and contact the known donors to fill the requirements. 23 of our active volunteers were given responsibilities. The meet was conducted in the presence of our programme officer Mr.Sujay K and 3 senior ex-panel members who were dealing with the blood donation cell of NSS SSET. They explained the general processes and conditions to donate blood and gave the volunteers awareness about the greatness of donating blood. The meet lasted for 2 hrs.
