Department of Civil Engineering SCMS School of Engineering and Technology

Vision	To emerge as a premier department, empowering Civil Engineering professionals and research-oriented innovators for sustainable development.
Mission	<ul style="list-style-type: none"> ● Impart industry-relevant Civil Engineering education that promotes ethical conduct and lifelong learning. ● Develop innovative problem-solving skills to address societal needs and environmental challenges in infrastructure development. ● Enhance service learning and research through collaboration with government departments and local bodies.

ABOUT THE DEPARTMENT

The Department of Civil Engineering has been in existence since the inception of SSET in 2001. The department comprises highly experienced and well-qualified faculty members. It offers one undergraduate program, two postgraduate programs, and PhD programs. The U.G program is accredited by the National Board of Accreditation (NBA). SCMS Water Institute, which is a "Centre of Excellence on Water", is working jointly with the department.

For questions and feedback email civil.data@scmsgroup.org and will be in touch.

.....

.....
