Vision of the Department

To achieve academic excellence in creating globally competent professionals and ethically strong global workforce in the field of Computer Science & Engineering, facilitating research activities, catering to the ever changing industrial demands and societal needs.

Mission of the Department

- M1: Creating excellence in Computer Science & Engineering through academic professionalism for the changing needs of the society.
- M2: Establishing centre of excellence for research and for technical development in the area of Computer Science & Engineering.
- M3: Developing communication skill, team work and leadership qualities for continuing education among the students, through project based and team based learning.
- M4: Inculcating ethics and human values for sustainable societal growth and environmental protection.
- M5: Empowering students for employability, aspiring higher studies and to become entrepreneur.

PC	HUN 102	Professional Communication JT	Ms. Jane Theresa 6lsiev7
CP	EST 102	Programming in C DKA*, AJE,KVS	Ms. Dhanya K A,,Mr. Anoop Jose,Ms. Kavitha S
Che. LAB	CYL 120	Engg. Chemistry Lab ANR	Ms. Anju Nair fhzvr3
EE& EC W/S	ESL 130	Electrical & Electronics W/S JS	Mrs Jayalakshmi S oj5bvtf
		Electrical & Electronics W/S LNM*,NM ,SAJ	Ms Lekshmi Nair M*,Ms Nithya M,Ms Sreeja KA
Y2P	Y2P	Youth to Power JT	Ms. Jane Theresa

Saturday's Time table will be on a rotation basis (Monday to Friday) and will be intimated well in advance.

HoD Principal

Vision of the Department	To achieve academic excellence in creating globally competent professionals and ethically strong global workforce in the field of Computer Science & Engineering, facilitating research activities, catering to the ever changing industrial demands and societal needs.
Mission of the Department	M1: Creating excellence in Computer Science & Engineering through academic professionalism for the changing needs of the society.
	M2: Establishing centre of excellence for research and for technical development in the area of Computer Science & Engineering.
	M3: Developing communication skill, team work and leadership qualities for continuing education among the students, through project based and team based learning.
	M4: Inculcating ethics and human values for sustainable societal growth and environmental protection.
	M5: Empowering students for employability, aspiring higher studies and to become entrepreneur.

Vidya Nagar, Karukutty - 683 576
