Students are required to regularly and closely follow the Examinations webpage for all examination-related information and updates.
The Examinations webpage will be used for publishing, as applicable, information relating to:

1. Semester End Examinations (SEE)
2. Supplementary Examinations
3. Special/Additional Examinations, wherever applicable
4. Examination Timetables and Schedules
5. Examination Notifications and Circulars
6. Examination Guidelines and Instructions
7. Hall Ticket-related information and instructions
8. Instructions relating to the conduct of examinations
9. Examination procedures and requirements
10. Changes, revisions or additional instructions relating to examinations
11. Results and other examination-related announcements
12. Any other examination-related information issued by the Office of the CoE.

Students shall be responsible for keeping themselves informed of all examination-related communications published on the SSET Examinations webpage and for complying with instructions issued by the Office of the Controller of Examinations from time to time.

Students are advised to check the Examinations webpage regularly, particularly during examination periods and related activities.

Students should not rely solely on informal or unofficial channels such as WhatsApp groups, social media, peer communication or word-of-mouth. Communications and instructions officially published on the SCMS School of Engineering and Technology (SSET) Examinations webpage shall be treated as the official communication of the Office of the Controller of Examinations.

All students are requested to take note of the above and ensure compliance.
