

SSET Hosts SAE Awareness Session for Engineering Faculty

FEBRUARY 22, 2024 • SSET CAMPUS

To strengthen the integration of professional automotive engineering networks within the academic curriculum, the SCMS School of Engineering and Technology (SSET) hosted an exclusive **SAE Awareness Session** tailored for faculty members of the Automobile Engineering and Mechanical Engineering departments on 22nd February, 2024.

The session was led by Mr. Koshy P. Joseph, Chairman of the SAEISS Cochin Division, who provided a comprehensive overview of SAEIndia's dynamic student activities and regional initiatives.

Key Takeaways & Faculty Engagement

- **Curriculum Integration:** Focused on mentoring students to leverage SAEIndia's platform for national technical conventions and hackathons.
- **Active Participation:** A total of 15 faculty members actively participated in the interactive briefing.
- **Empowering Educators:** Equipped SSET educators with the latest updates on SAEIndia's initiatives to guide future mobility engineers.
