Saturday's Time table will be on a rotation basis (Monday to Thursday) and will be intimated well in advance.							

Vision

To be among the leading CSE departments, developing ethical engineers and impactful research aligned with societal and sustainable development goals.

Mission

M1: Provide Computer Science education that cultivates creativity, problem-solving, and a passion for lifelong learning.

M2: Develop competent Computer Science professionals by fostering teamwork, leadership and ethical responsibility.

M3: Promote impactful research in cybersecurity to address societal challenges and support sustainable development.

Saturday's Time table will be on a rotation basis (Monday to Thursday) and will be intimated well in advance.

Vision

To be among the leading CSE departments, developing ethical engineers and impactful research aligned with societal and sustainable development goals.

Mission

M1: Provide Computer Science education that cultivates creativity, problem-solving, and a passion for lifelong learning.

M2: Develop competent Computer Science professionals by fostering teamwork, leadership and ethical responsibility.

M3: Promote impactful research in cybersecurity to address societal challenges and support sustainable development.
