Aptitude Training

The concentration of the programme was on strengthening the student's quantitative, verbal and reasoning skills. The first filtering round conducted by most of the companies is aptitude test, hence it is a crucial round to clear in order to proceed to further rounds of interview. The objective is to exercise the student's brain and prepare them with common topics such as mentioned Speed, agility, decisiveness and time management which plays a crucial role while attending the exam. Training includes mock tests conducted online to prepare the students with real life scenarios.
