Career Counselling & Aptitude Training

The concentration of the programme was on strengthening the student's quantitative, verbal and reasoning skills. The first filtering round conducted by most of the companies is aptitude test, hence it is a crucial round to clear in order to proceed to further rounds of interview. The objective is to exercise the student's brain and prepare them with common topics such as mentioned Speed, agility, decisiveness and time management which plays a crucial role while attending the exam. Training includes mock tests conducted online to prepare the students with real life scenarios.

The 5-day aptitude training program for the MBA students was conducted during 11 Sep , 15 Sep. 19 Sep, 26 Oct and 16 Nov 2018.

The session held on 5/10/18 was handled by Mr.Vignesh (Faculty-MBA). The session was on ‘career planning’. The session started by asking every student what their career plans were. Some of them said that they have not planned yet, and they said that it’s high time to think about it. Some others had different opinions about their career. Some of them wanted to go for higher studies; mostly MBA. Some others wanted to go for job. Then they were asked what kind of jobs they wanted to do. Some of them wanted to work with banks and hence the resource person insisted them to do ‘Post Graduate Diploma in Banking and Finance’ course and, that would help them find the job easily.

Some students wanted to do certification programs and at the same time some of them were not aware of the certification programs and hence the resource person introduced a wide range of certification programs available for B.Com students, like CMA, ACCA, CA, CS etc. He also said that there is no other stream for which these many opportunities are available. He explained the advantages of doing the certification programs and also the wide range of job opportunities associated with them.

A total of twenty five students participated in the session. The session was very interactive. They clarified their doubts and some of the students collected the contact details of the resource person to clarify their doubts in future.

The session ended with a cup of coffee as usual.

Report on Career Guidance

On 6th February 2019, a Session on Career Guidance was handled by Prof. Cherian Peter and Mr. Justin Joy from SCMS Cochin School of Business, Muttom, Aluva for final year B.Com students. The programme commenced at 2 pm in the Department of Commerce. The students were given a briefing about the career decisions. Career decisions play a pivotal role in shaping the future growth and development of students. In today's environment of multiple options, knowing about choices available helps students in their decision-making process. The session aimed at making the audience aware of the multiple career options available. They also shared information regarding leading universities and various courses available.

Report on logistics management

On 7 Monday 2019, a Session on guest lecture was handled by Mr. Eapen Mini for final year B.Com Computer Application and Taxation students. The programme commenced at 9.30 am in MBA Seminar Hall. The class covered the scope of logistics. Unlike careers in law, medicine or finance, for example, Logistics tends to be a career that flies under the radar for many graduates and school leavers. This coupled with the importance of the sector, means that there are lots of roles that need filling and lots of opportunities to progress quickly within the industry. During the lecture, the speaker highlights the various job opportunities in logistics. There are more jobs in logistics than ever, with experts anticipating that the sector will continue to grow in the coming years. The class was very informative for the students.
