Onam is a very special festival for all the Malayalees. Unfortunately during this pandemic there was no celebration and we team UBA at SSTM (MCA Department)came up with an idea to celebrate onam virtually where we organized some online events for the children at Edathala Panchayath. Students of DDMCA Batch 2 and 3 involved in this programme to organize the event. We conducted programs for children according to their age group, where they had to record or take pictures of their particular event and sent it to us. We had handful of entries for the program. Entries accepted till 6th of September 2020. The program included Onasundari for classes 1-4, Onapattu for classes 5-7, Pattavum noolum for classes 8-10, Onam Click for all students. We're in the process of sorting the entries and judges will be selecting the winners. The Prize for all the events will be distributed on October 2nd.

As part of the UBA Cell activity on October 2nd , Ms.Sudha D, Faculty of MCA Department, Anuroop Vijayan, B4 IMCA and Kiran Unnikrishnan, B3 DDMCA had visited the Edathala Village. This time the motive of the visit was to take a class for the residence of the village. We took a class on the ways, how all the vegetable or kitchen waste can be disposed of, and how we can recycle the best out of waste . The gathering was held in the EMS public library hall and the meeting was inaugurated by Sajitha Abbas, Panchayath President of Edathala village. Also, we had presented two tutorials made by Dona Melani and Ann Mary techniques. The first tutorial was how to make hanging flower pots by making use of coconut husk and the second video was based on how old cardboards can be transformed into book racks. The kitchen waste management class was taken by Anuroop and thereafter. The meeting was concluded by giving away the prizes of the competitions that were conducted as part of the virtual Onam celebration in the month of September.
