How technology changes our sense of right and wrong?

21 June 2021

SCMS SCHOOL OF TECHNOLOGY AND MANAGEMENT (SSTM)
SCMS, Campus, Prathap Nagar, Muttom, Aluva, Cochin-683106.
Tel: 0484 2628000   www.scmsgroup.org/sstm

The session was conducted on 21/06/2021 (Monday). The speaker for the day was Ms. Vidya Gopinath, Assistant Professor, SSTM – MCA Department. The session started at 10:45 am, and there were around 22 students for the same. The topic put forward by the speaker was "How Technology Changes Our Sense of Right and Wrong ".

It was an interesting session where the students had thoughts to share. She focused on social media in particular regarding the diverse opinions on a given topic. It was a relevant topic as well as a topic that is trending now especially amid the pandemic where everything is online. The speaker was able to keep the students motivated to speak. The session came to an end by 11:45 am.

Ms. Vidya Gopinath, Assistant Professor, SSTM – MCA Department.

A Report on the discussion held with the students on 01/10/20, Thursday

'Online classes vs Offline classes"

The session held on 01/10/20 (Thursday) was handled by Ms. Jisha Liju Daniel - Assistant Professor, SSTM. The session was on 'Online classes vs Offline classes". She started off the charcha by asking all the students to give their suggestions regarding the topic. As per her request, all students participated with enthusiasm as it was a widely debated topic. Students spoke both against and in favor of the online and offline modes of teaching.

The discussion went ahead by stressing on the fact that online classes are the need of the hour because of the covid pandemic. She also emphasized on the fact that there are no befitting alternatives to online teaching at the moment. Many students pointed out the positive side of online teaching, the prominent one being the increase in family time. She winded up the session advising the students to stay motivated by pointing out that nothing is permanent in life and everything shall come back to normalcy soon and asked them to stay positive. A total of twenty-four students participated in the session.

A Report on the discussion held with the students on 22/01/21, Friday

The session held on 22/01/21 (Friday) was handled by Mr. Jithin Raj R, Assistant Professor, BBA Department, SCMS School of Technology and Management. The session was on 'Technology influence on our daily lives'. The speaker started off the session by asking students whether they are influenced by technology.

He told about the use of various technologies that are being used educational institutions in general. He also compared the teaching methodology followed in the pre-covid and post covid era and mentioned few positives and negatives of the same. The speaker pointed out that the technology is a double-edged sword. Addiction issues, over dependance on technology etc was pointed out. It was a very relevant topic, and the students were also able to share their point of view on the same. A total of twenty-seven students participated in the session.
