

Report of Analysis of Feedback on Curriculum Collected

From Stakeholders

Academic Year: 2022-2023

Students Feedback:

The students are the most important stakeholders of Higher Education systems. The interest and participation of students at all levels in both internal quality assurance and external quality assurance must play a central role. The college has been following an online feedback system. We have collected feedback from our undergraduate students as well as post graduate students. A total of 740 students provided feedback. A special five point scale feedback form on the academic performance and ambience of the institution is developed.

Table 1. Student Feedback

Question No.	Curriculum Evaluation Points	Responses in %				
		Strongly Agree (%)	Agree (%)	Neither Agree Nor Disagree (%)	Disagree (%)	Strongly Disagree (%)
