

# MASTER OF BUSINESS ADMINISTRATION FROM SCMS SCHOOL OF TECHNOLOGY AND MANAGEMENT

## ABOUT SSTM

SCMS School of Technology and Management (SSTM) is a premier institution committed to excellence in management education. It blends strong academic foundations with modern teaching methodologies, practical insights, and industry exposure. Serving as a dynamic hub for future leaders and innovators, SSTM's flagship MBA program is renowned for its quality education and the enduring legacy of SCMS Cochin.

## MBA from SSTM

SSTM offers a two-year, full-time Master of Business Administration program. SSTM is affiliated with Mahatma Gandhi University and holds an A+ Grade accreditation from NAAC with a score of 3.44. The MBA programme is approved by the All India Council for Technical Education (AICTE) and accredited by NBA and ACBSP, USA. The program is designed to enhance a student's ability to manage people, information, and financial resources.

## Mission

Multidisciplinary education with research for inspiring social transformation

## Vision :

To be a premier institution blending world-class education and research for delivering sustainable solutions for societal progress.

To be among India's top 30 multidisciplinary educational institutions by 2035, transforming learners to leaders

## DISCOVER EDUCATIONAL EXCELLENCE

The MBA programme promotes higher-order thinking, creativity, and leadership skills essential for global managers. Students gain ample opportunities to showcase academic and co-curricular talents while developing the capabilities required to meet modern business challenges. By strengthening analytical abilities and sound decision-making, students are empowered to position themselves as leaders within an organization.
