

International Conference on Road Safety, Sustainable Mobility & Emerging Technologies

12th & 13th November 2026

GLOBAL SUMMIT ON TRANSPORTATION INNOVATION

Jointly organized by
SiRST & IRF India Chapter
in association with **BARS** and **APRSO**
Official Partner **Kerala Motor Vehicle Department**

Website: www.sirst.scmsgroup.org/conference

WELCOME TO IC-SAFE 2026

The International Conference on Road Safety, Sustainable Mobility & Emerging Technologies (IC-SAFE 2026) is a premier global forum dedicated to advancing the future of transportation. As urbanization rapidly accelerates and the complexities of global transit multiply, establishing safe, resilient, and green mobility ecosystems has never been more critical.

ABOUT THE CONFERENCE

The International Conference on Road Safety, Sustainable Mobility & Emerging Technologies, scheduled for November 12th and 13th, 2026, serves as a premier collaborative platform dedicated to advancing the future of global transportation. Jointly organized by SiRST and the IRF India Chapter, in association with BARS and APRSO, and officially partnered with the Kerala Motor Vehicle Department, the event brings together leading researchers, industry professionals, and policymakers. The conference will feature 10 comprehensive tracks designed to tackle critical infrastructure and behavioral challenges, encompassing foundational themes like the safe system approach, policy governance, and mobility for vulnerable road users, alongside sustainable initiatives like climate-resilient urban transit and intelligent transportation systems. By exploring cutting-edge advancements in vehicle technology, AI, and data analytics for traffic management, this two-day event aims to foster actionable strategies and innovative solutions for a safer, smarter, and more sustainable road ecosystem.

About the Organizers

— ABOUT SiRST

Established in 2023, the SCMS Institute for Road Safety and Transportation (SiRST) is a premier research centre tackling critical challenges in road safety, traffic management, and infrastructure. Dedicated to reducing accidents, SiRST is recognized by the Asia-Pacific Road Safety Observatory and the Global Alliance of NGOs, and serves as an official IDTR extension center for the Kerala Motor Vehicle Department.

— ABOUT IRF India

Active since 2009, the IRF India Chapter aligns with its Geneva parent body to promote safer, economic, and sustainable roads through improved design and management. By uniting private and public sector expertise, IRF-IC advances road infrastructure with a primary focus on Road Safety, Environment, Road Finance, and Intelligent Transport Systems (ITS).

CONFERENCE THEMES

Theme 1
Road Safety

Theme 2
**Sustainable
Mobility**

Theme 3
**Emerging
Technologies**

CONFERENCE TRACKS

1. **Safe system approach and vision zero.**
2. **Road infrastructure safety and asset management.**
3. **Road safety policy, governance and legislation.**
4. **Mobility for vulnerable road users.**
5. **Intelligent transportation system.**
6. **Climate resilient and sustainable urban mobility.**
7. **Human factors and driver behaviour.**
8. **Vehicle technology**
9. **Emerging technologies and traffic management for future mobility.**
10. **AI and data analytics for future roads.**

Important Dates

Full Paper Submission: **30 September 2026**

Notification of Acceptance: **20 October 2026**

Chief Patrons

Dr. G. P. C. Nayar

Chairman, SCMS Group

Dr. K. K. Kapila

President (Emeritus), IRF Geneva & Founder President, IRF India Chapter

Patrons

Dr. Muralee Thummarukudi

Chief, Disaster Risk Reduction, UN Environment

Mr. Nagaraju Chakkilam IPS

Transport Commissioner of Kerala, Kerala Transport Department

Mr. Ramashankar Pandey

Director, MEPSC

Prof. Pramod P. Thevannoor

Executive Chairman, SCMS Group

FEE STRUCTURE

Category	Standard	
	SCMS/IRF Members	Non-SCMS/Non-IRF Members
Faculty and research Scholars	Rs. 4000/-	Rs. 5000/-
Students	Rs. 1500/-	Rs. 2000/-
Industry Professionals	Rs. 5000/-	Rs. 6000/-
Foreign Delegates, Professionals	150 USD	200 USD
Foreign Delegates, Students	100 USD	150 USD
Listeners (Inside India)	Rs. 500/-	
Listeners (Outside India)	15 USD	

CONFERENCE VENUE (SCMS Cochin Campus)

Main Hall (A)	Main venue	Inaugural session, plenaries, keynotes, valedictory session
Sub-Venue (B) — within Main Conference Hall complex	Conference Hall	Panel discussions, special/invited sessions
Breakout Venue 1	Gallery Room 1	Track 1 paper presentations (Road Safety)
Breakout Venue 2	Gallery Room 2	Track 2 paper presentations (Sustainable Mobility)
Breakout Venue 3	Gallery Room 3	Track 3 paper presentations (Emerging Technologies)
